Dear Jeff,
I cannot tell you how much I have enjoyed being your friend & goofing off together. May you have all that from life that you desire.

Jeff,
You've come a long way since 7th grade. Keep up the progress (to the best of everything) & know I'm proud of you.

SOUTH FLORIDA

The South Florida Education Center

is comprised of:

Nova High, Nova Elementary,

Broward Junior College,

and Nova University.

Formulated in the fall of

1960 and opened in the

fall of 1963, SFEC began a new educational trend—

a trend toward science

in education. These

new educational

philosophies and teaching methods

bring education

and the scientific space-age

society in which we live

side by side.

Aiming toward a continuous education,

from pre-kindergarten through

graduate school, the

main emphasis of the Center

is on the student's self motivation.

The total complex,

when finished, will constitute

one of the most advanced

In cooperation with Florida State University, the Broward County Board of Public Instruction has established a program for the research and evaluation of the Nova Schools. The purpose of this program is to determine the extent to which the Nova Schools obtain their objectives in terms of developing students' abilities, attitudes, and interests. In addition to the Nova Schools, a number of Broward County Elementary and Secondary Schools will be involved in the program over a period of several years. The Research and Evaluation Program is directed by Dr. Garrett R. Foster of the Department of Educational Research and Testing, Florida State University.

SECRETARIES

Change has been quite evident in the administrative staff this past year. Leaving his position as Administrative Director of Nova, Mr. Arthur B. Wolfe became head of the South Florida Education Center; and Mr. Dave Fitzpatrick moved up to fill the spot vacated by Mr. Wolfe.

The position of Assistant to the Administrator was given to Mr. Richard Whiting, formerly the Language Arts Co-ordinator.

The prime objective for the administration the past year was that of publicizing Nova and its educational plan. Mr. Wolfe traveled extensively in promoting the ideals of Nova. Mr. Fitzpatrick covered the local scene thoroughly at "coffee klatches" where he answered questions for the parents of present and future Nova students.

Two television programs were produced on Nova; one shown locally, and the other on NBC's "Today" show.

Publications, movies, and lectures rounded out the administration's efforts to make Nova known.

STUDENT COUNCIL

1965 was the Senior Council's year for gaining the experience necessary in assuming its role of leadership. After corresponding with various leaders around the State, five members attended the State Convention of the Florida Association of Student Councils. Ideas were brought back and projects started towards increasing school spirit and morale.

As a benefit to all clubs, a parliamentary procedure class was sponsored by the council. Students received their pictures through the services of the Senior Council; and the Guidance Department was given curtains for their counseling rooms.

The council donated \$100.00 to the Athletic Department and purchased safety raincoats for the patrols. Honors were given to the faculty at a Teacher-Tea co-sponsored by the Senior Council and the Parent's Association.

Senior Council officers for '65 were president, Bob Denham; vice president, Tony Tartaglia; secretary, Vicki Hufnagel; and treasurer, Irmgard Bocchino.

Council members included Ken Platt, Wanda Brown, Rick Price, Jeff Kahn, Bill Rathje, Jeff Smith, Debbie Kimberly, Becky Fogg, Barb Tong, Tim Leach, and Larry Wilson.

JUNIOR COUNCIL

A constitution was ratified; a new organization was given birth. The Junior Council of the Student Government Association passed through its first year of existence in a spirit of co-operation and activity.

A Valentine Dance and a Western Round-up, strictly for junior high students headed the list of social activities sponsored by the council. The council also donated money for the shrubbery planted in front of the Math building.

The student body was kept informed on Titan activities through the Junior Councils bi-monthly "Junior View"—a service aimed at presenting the unknown and unusual news to the students, teachers, and parents.

Officers for the '65 council were: president, Shiela Bryson; vice-president, Julie McNeilly; secretary, Norma Bozeman; and treasurer, Alan Siegel. The group was under the direction of Mrs. Pat Novak and Mr. Richard Kantner.

OLYMPIAN

Now open before you is the result of many long hours of work . . . the 1965 OLYMPIAN.

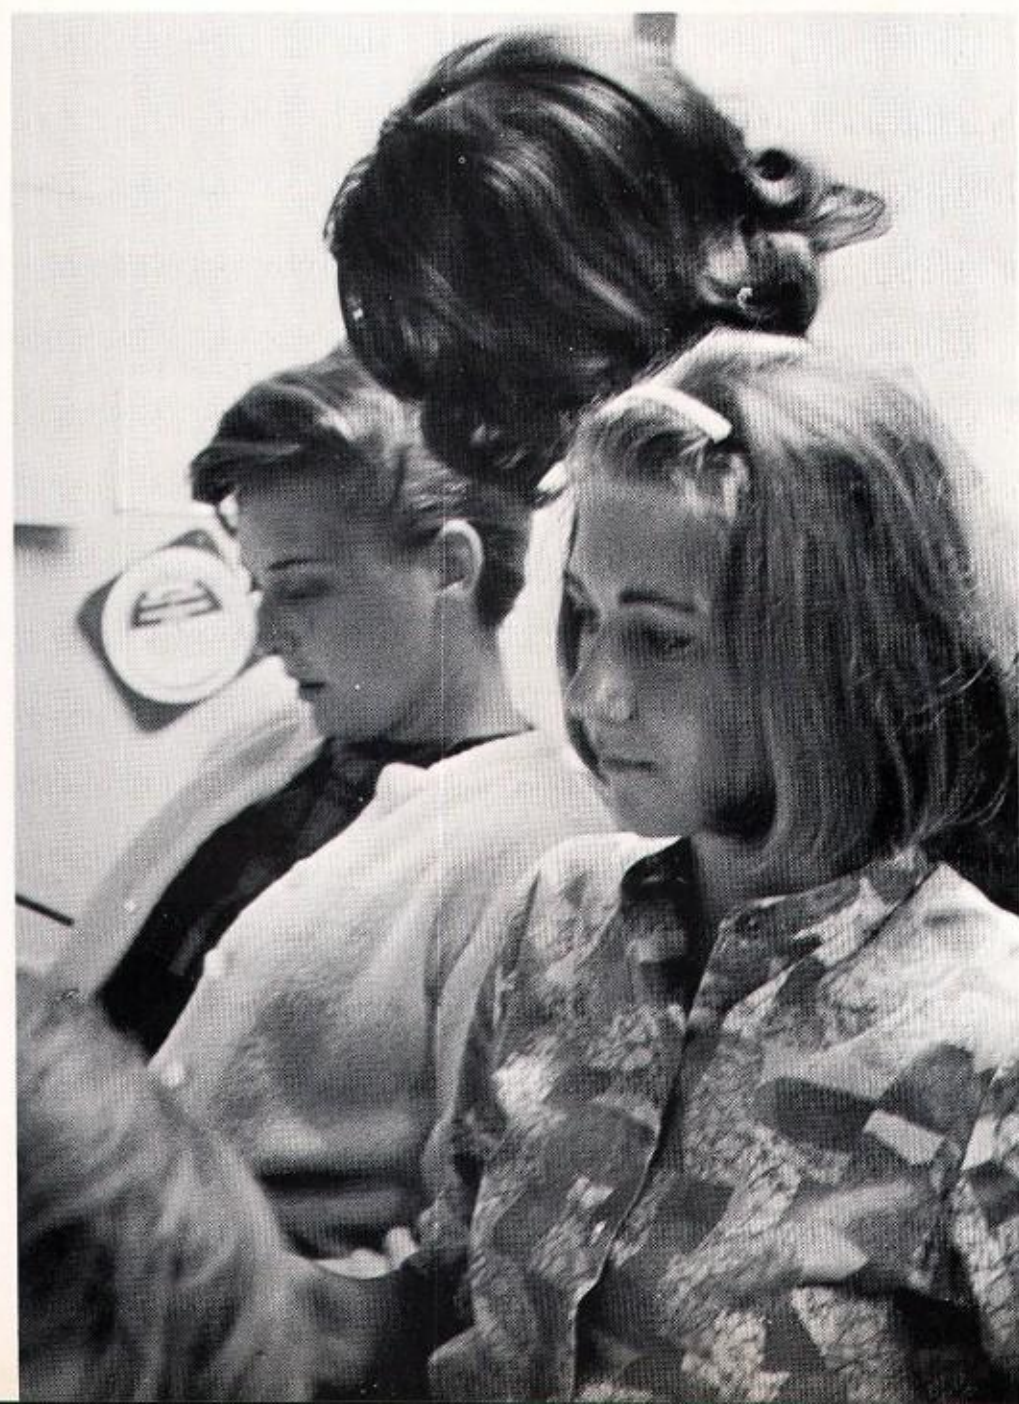

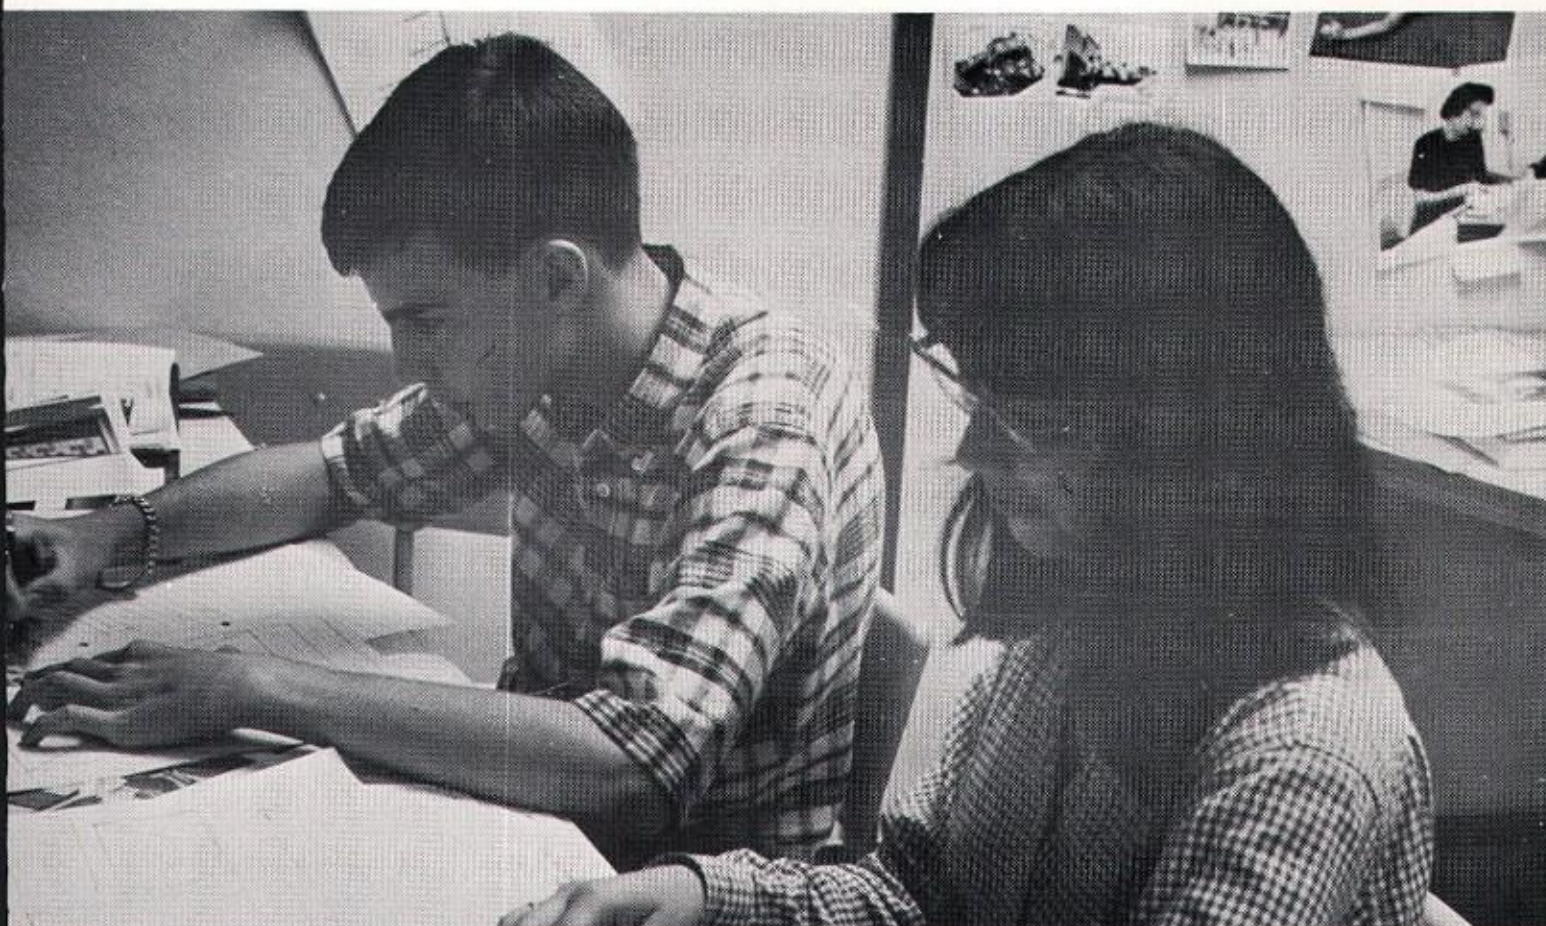

Preparing this year's book came under the direction of editor Paula Nelson and sponsor Miss Gloria Gall. And into that preparation went the energies and toil of the entire staff:

Layout editors Peggy Brozicevic and Wally Harper; copy editor Patty Bennett; photography editor Doreen Betz; and business manager Sterling Holmes.

Section editors: sports, Fletcher Allen; organizations, Vicki McCoy; classes, Sue Whaley and Carol Nasher; administration, Laurie Schecter.

From September to May the staff labored, especially as publishing dates drew near. Extra hours were spent before and after school, Saturdays and nights in completion of the book. The only product for this work is in your hands. We trust you will enjoy it!

STAFF MEETS FINAL DEADLINE

Opening of the Titan Gym is celebrated by a Pep Club sponsored sock hop.

Nicki Hullis, president and Miss Gwen Britt, sponsor.

"Stomp Northeast"—the battle cry of Titan Week.

Support the Titans. Pep Club sells ties, shakers

PEP CLUB

"Fight the team across the field; Show them that Nova's here; Send the earth reverberating with a mighty cheer" The mightiest cheer for the Titans came of course from the pep club. Building Titan spirit and morale throughout the season and never failing to exhibit Titan pep, the Nova Pep Club played a major role in the promotion of Nova Athletes.

Pep tags, shakers, booster buttons, and Nova ties were familiar objects to Pep clubbers and to the students who purchased them as signs of Nova loyalty.

N-O-V-A under decorated goal post made the Titan teams all the more glorious as they ran through the letter "O" for luck and again during the games after mounting another touchdown to the score. With pep rallies, Nova Mums, queens, floats, and cheers the Pep Club sponsored and organized Titan Week. A Titan tribute to the group for giving Nova a tradition and a spirit to be proud of.

Not forgetting the basketball season, the Pep Club again came through in promoting school spirit by sponsoring a sock hop on the opening night of the Titan gym.

The Pep Club lived its pledge of: "N-O-V-A Nova Nova all the way."

CHEERLEADERS

Cheering the Nova Titans with an enthusiastic crowd provided the utmost in fun and excitement. The cheerleaders started the year off in high spirits, practicing before school in heat, rain, and the frequent interruptions from students. Miss Lucille Whisenant, and Miss Pat Houston offered skilled assistance as sponsors. During the morning sessions, new cheers were created and kinks worked out of the unused muscles.

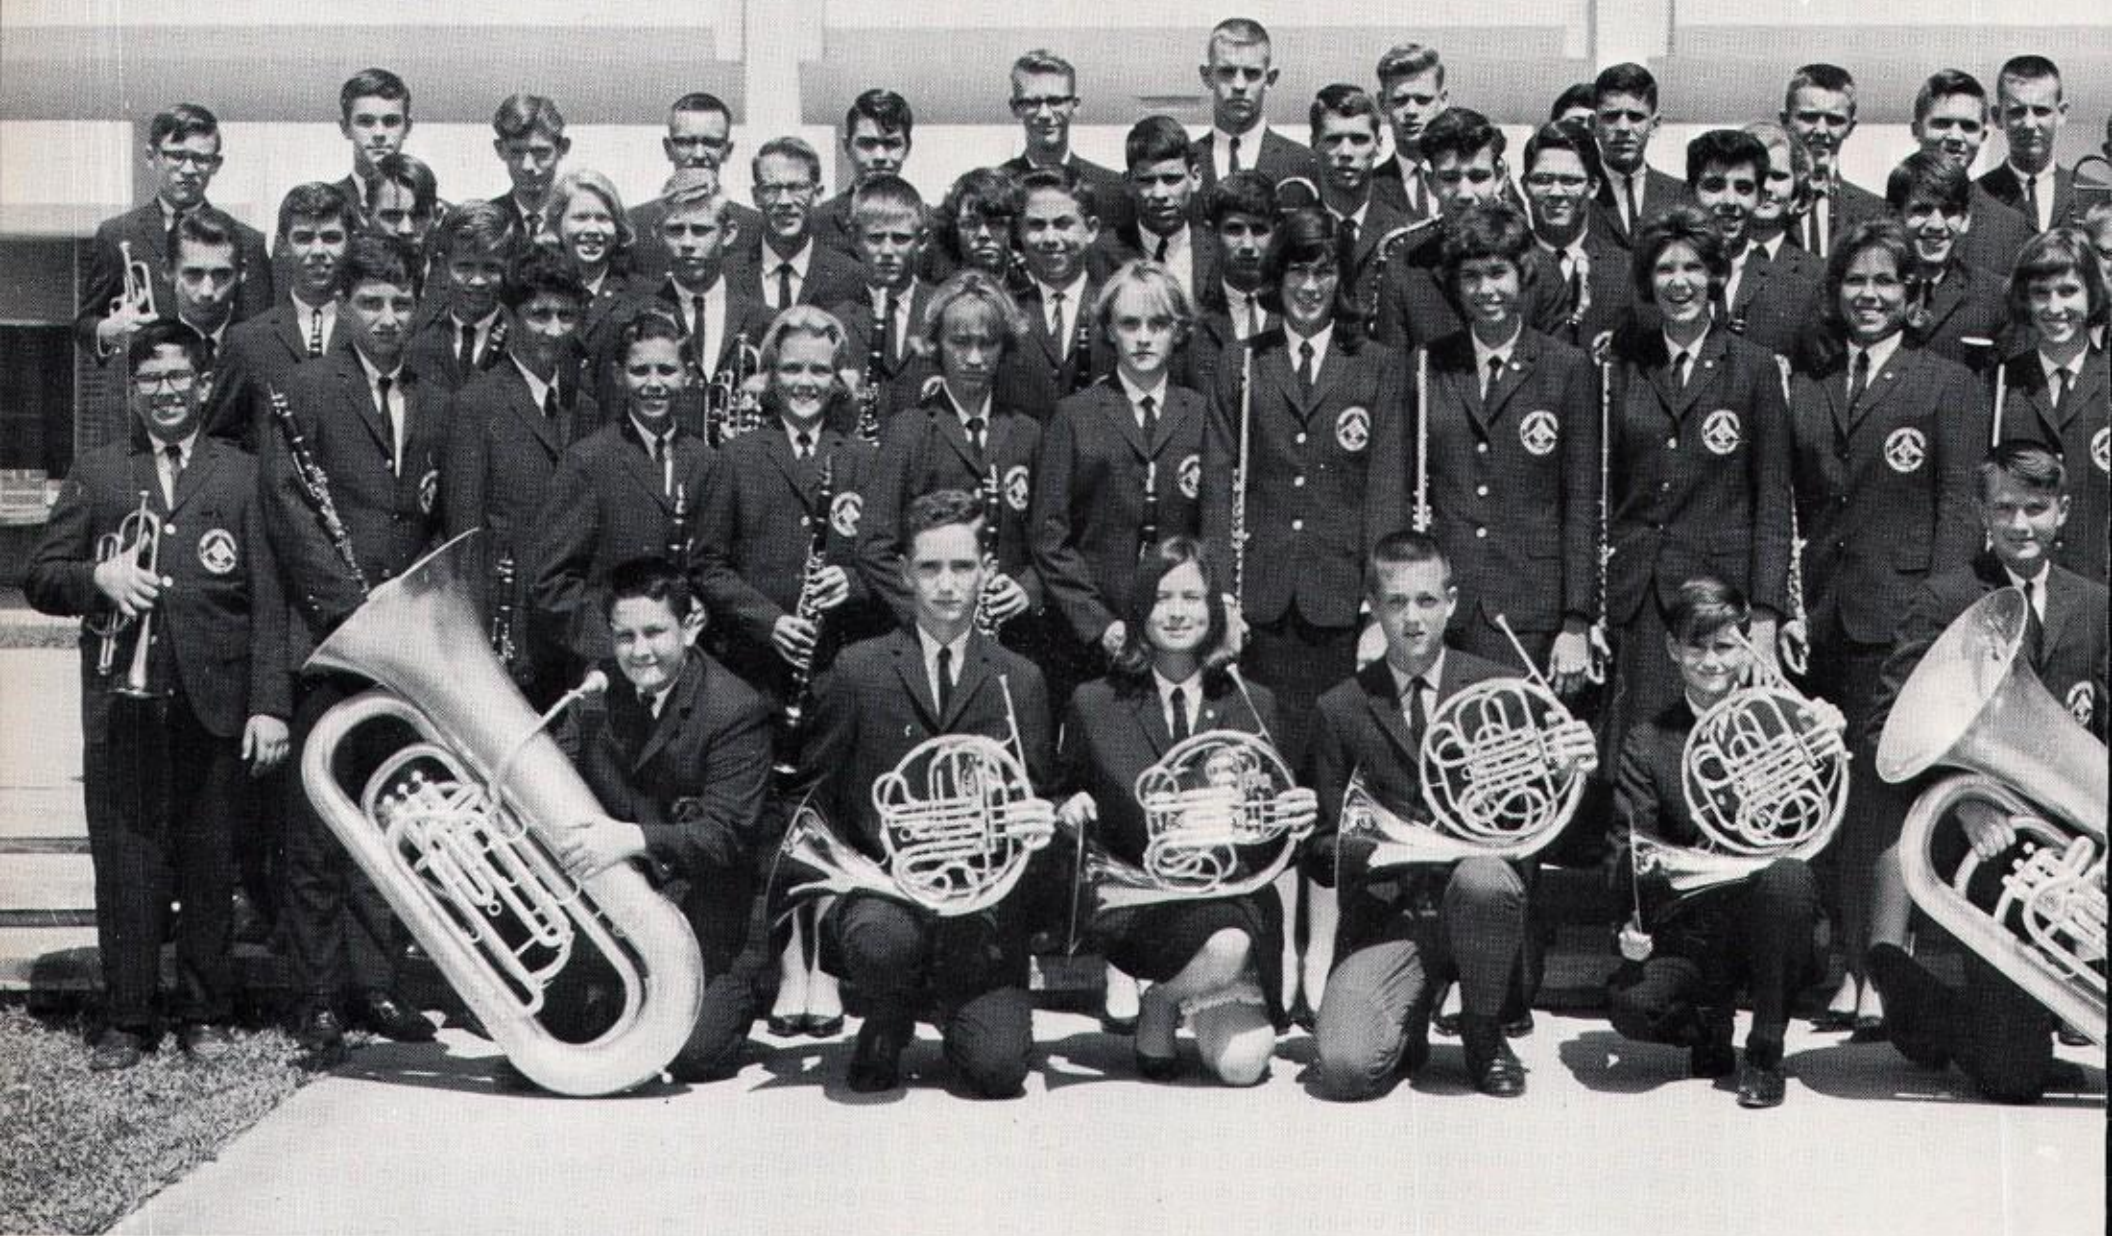

Despite small crowds and bad weather, the cheerleaders remained peppy and boosted the teams and spectators spirits. At the basketball games came the thrill of the newly completed gym and cheering before a more spirited crowd.

During Titan day festivities the Varsity cheerleaders boasted the winning float while the Junior Varsity squad ran a close second place.

A busy year full of high spirits and lots of pep; that was 1965 for the Titan cheerleaders.

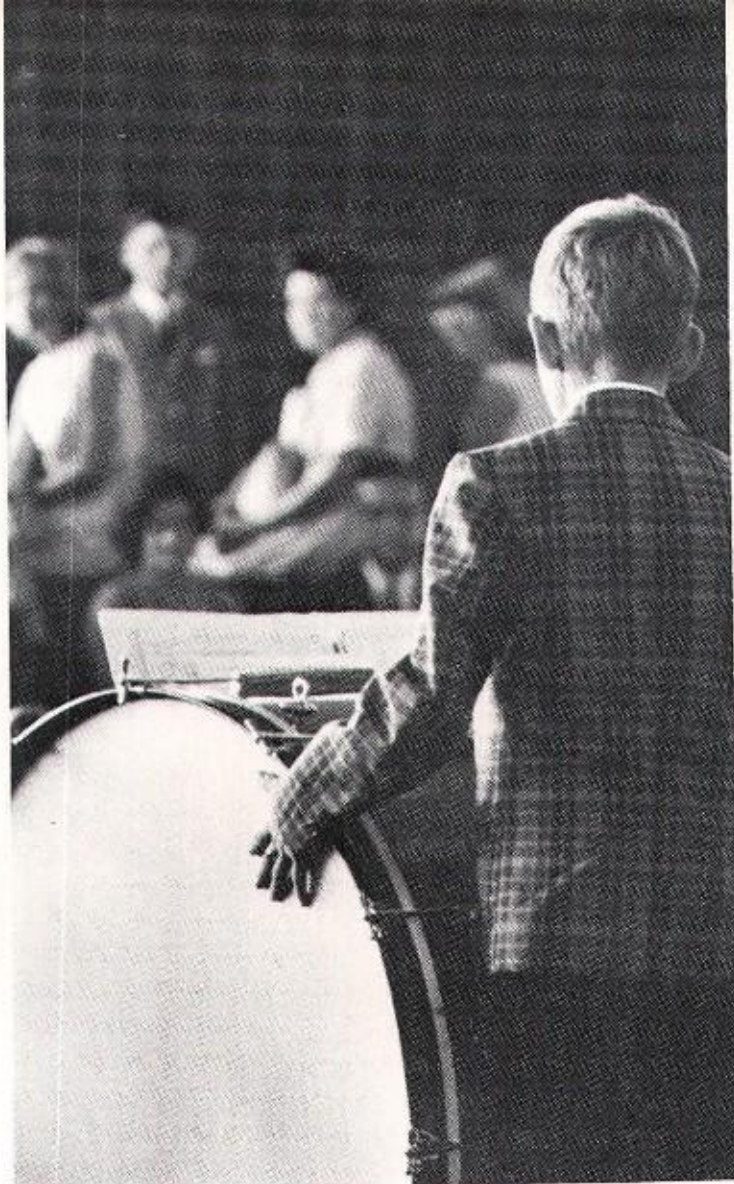

BAND

Nova's Concert Band carried the Titan name far and wide during the '65 school year. Performing two concerts at the Hollywood Band shell, the band made an admirable showing to the Broward County public. Long hours of practice proved valuable as invitations to play at public meetings, dedications, and the Davie Orange Festival came to the band.

Spirit was created by the band as lively tunes filled the air at football and basketball games. A battle cry of "charge" echoed in the stands following the bugle call of the Titan band.

There was only one goal for this past year for the band—uniforms. The band worked extra hours selling baked goods and peanuts to earn funds to purchase their uniforms.

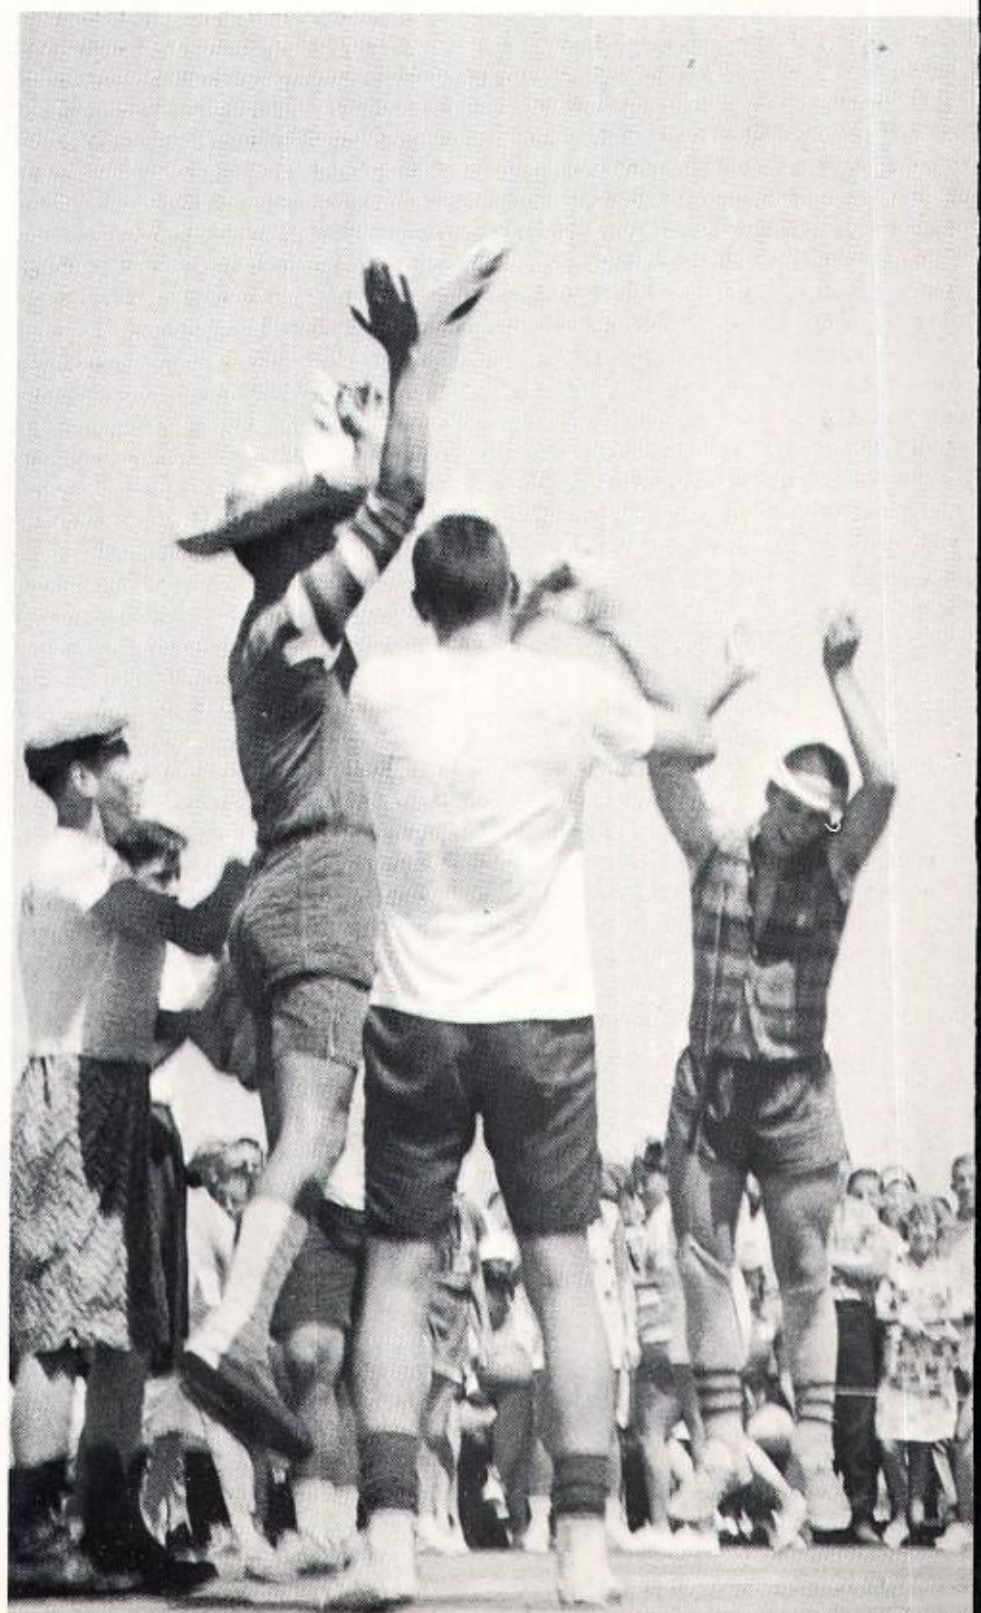

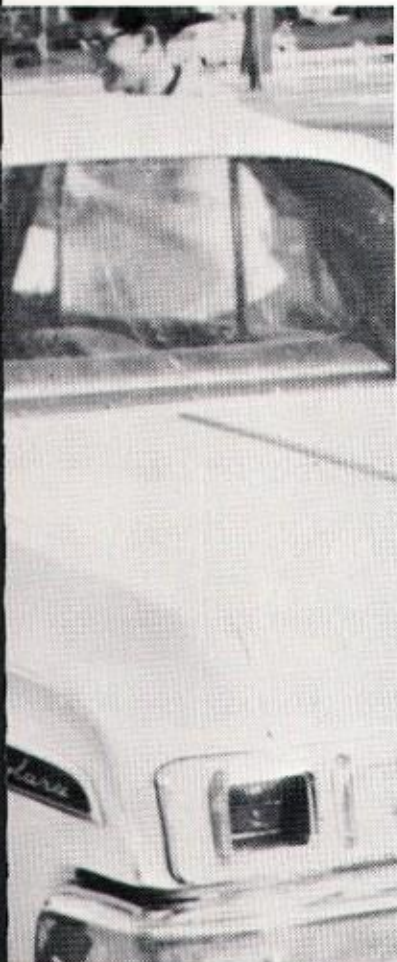

NOVA BANDS

EXCHANGE CLUB

Directing parking at Titan basketball and football games, regulating Nova's parking lot, issuing parking licenses, cleaning the patio tables after lunch, are a few of the activities of the Junior Exchange Club the past year.

Serving school and community, the club also collected for the Easter Seal Clinic and helped in landscaping the campus.

The club fostered much school spirit during Titan week when it decorated the Language Building with bigger than life drawings of the Titans. Gaiety filled the air when the Exchange club challenged the Key club to a tug-of-war over the "very wet" Nova lake.

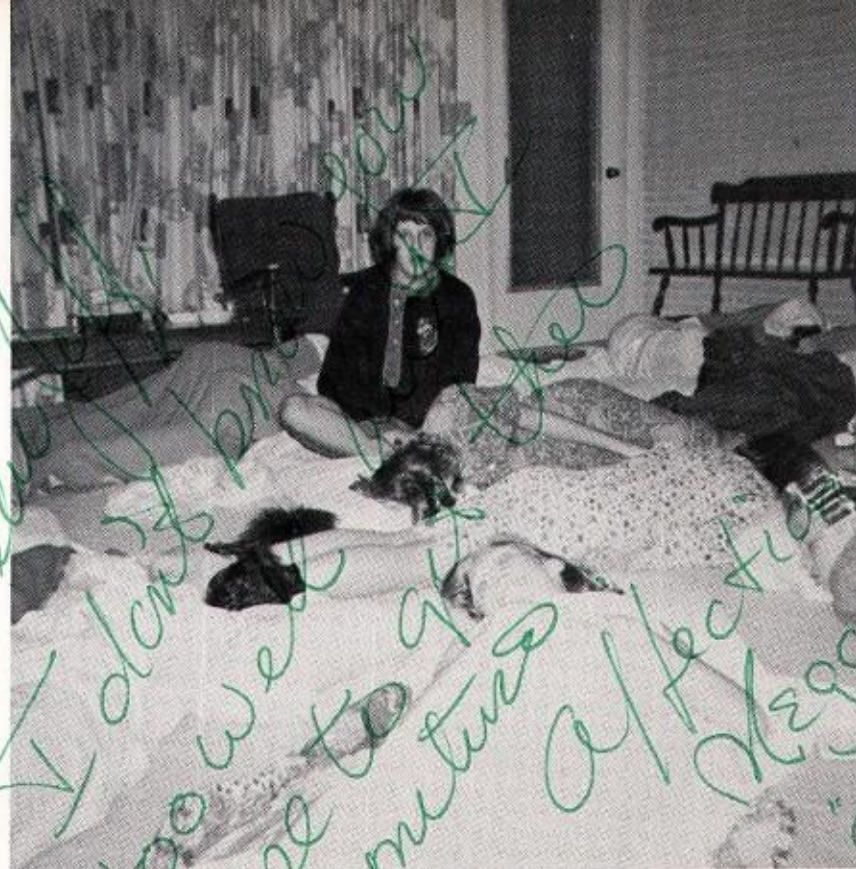

Officers for the year were Fletcher Allen, president; Chris Leach, vice-president; Mitchell Alter, secretary; and Dennis Dearborn, treasurer. Mr. Pat Guinee served as advisor to the boys and accompanied the clubs representatives to the state convention in Jacksonville.

JUNIOR

EXCHANGETTES

Don't bring too much love to a mutual affection. "65"

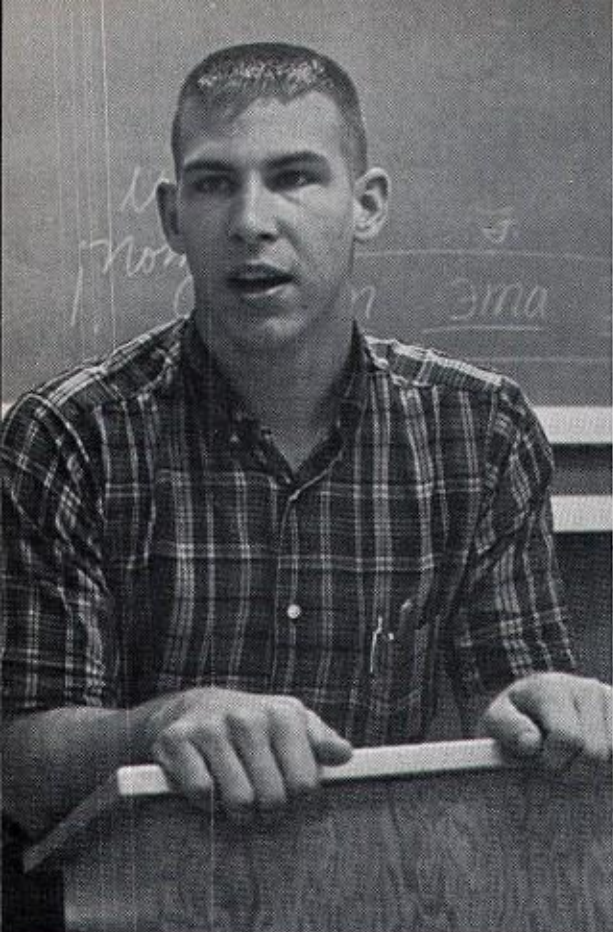

Life size football players and "Go Titans" sent the Junior Exchangettes into action for the year '65, as they decorated the Language Building with the Exchange Club.

The girls, sponsored by Miss Ethelwynn Blinco, Mrs. Elizabeth Hill, and Mrs. Joyce Hall, took responsibility for the Lost and Found and sponsored an auction at Christmas.

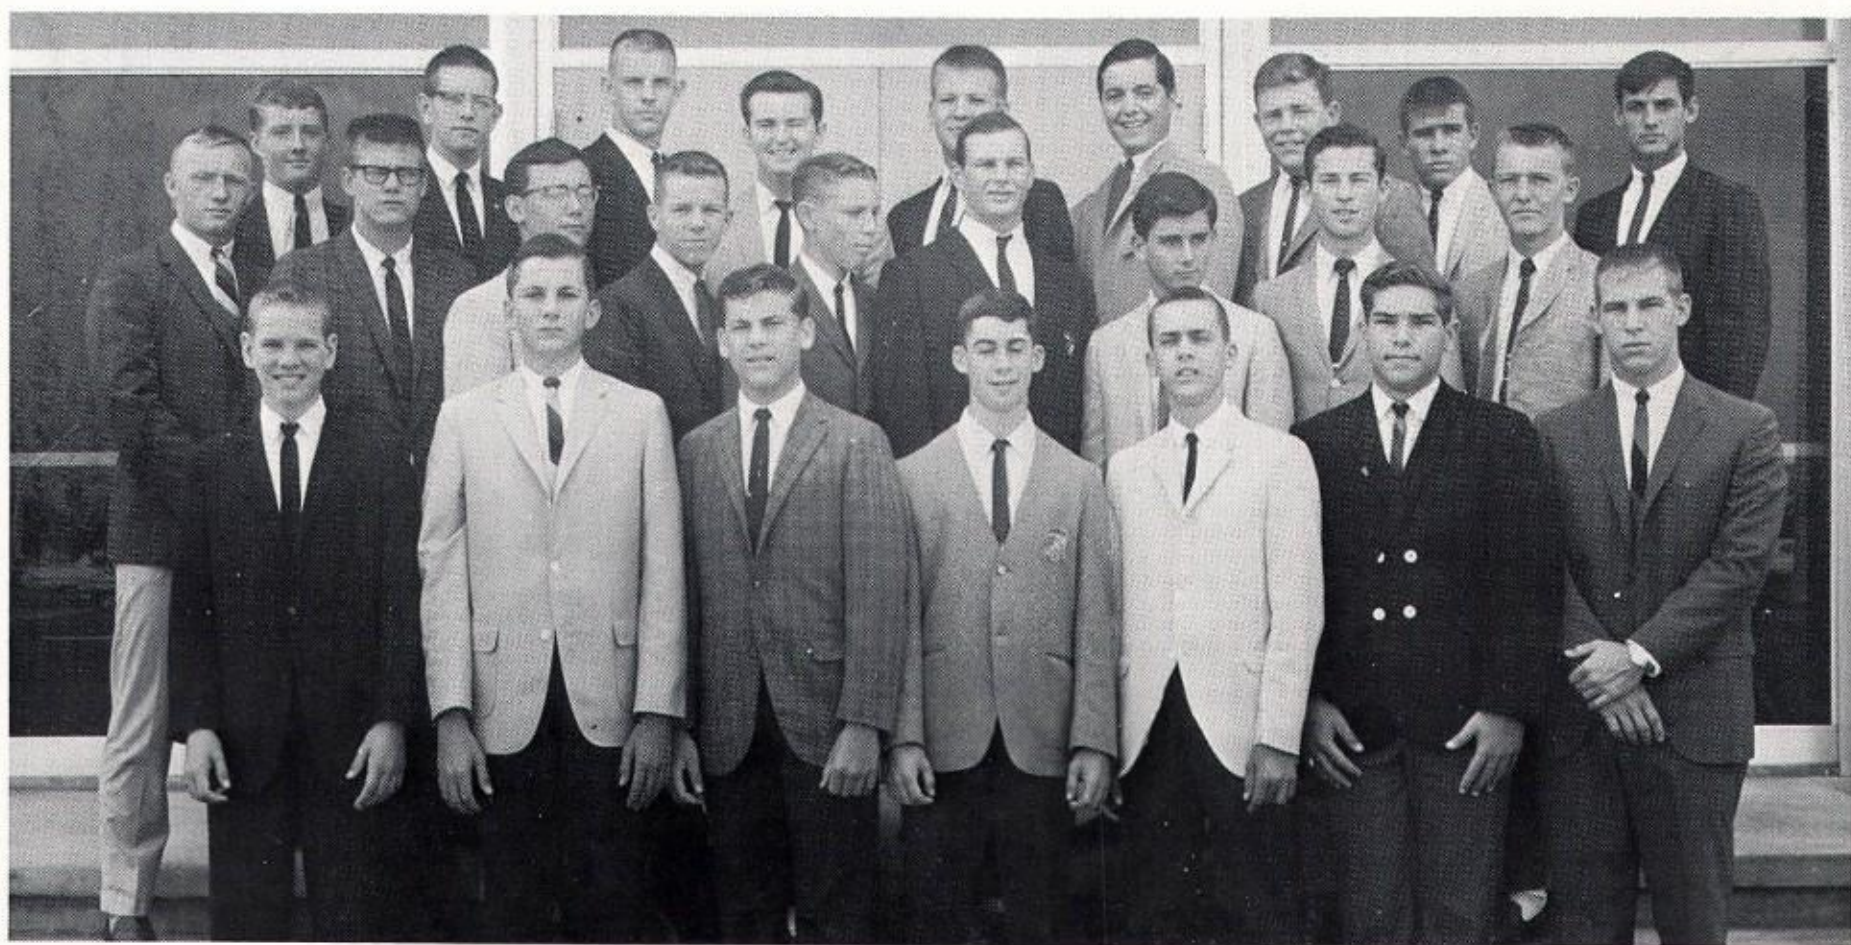

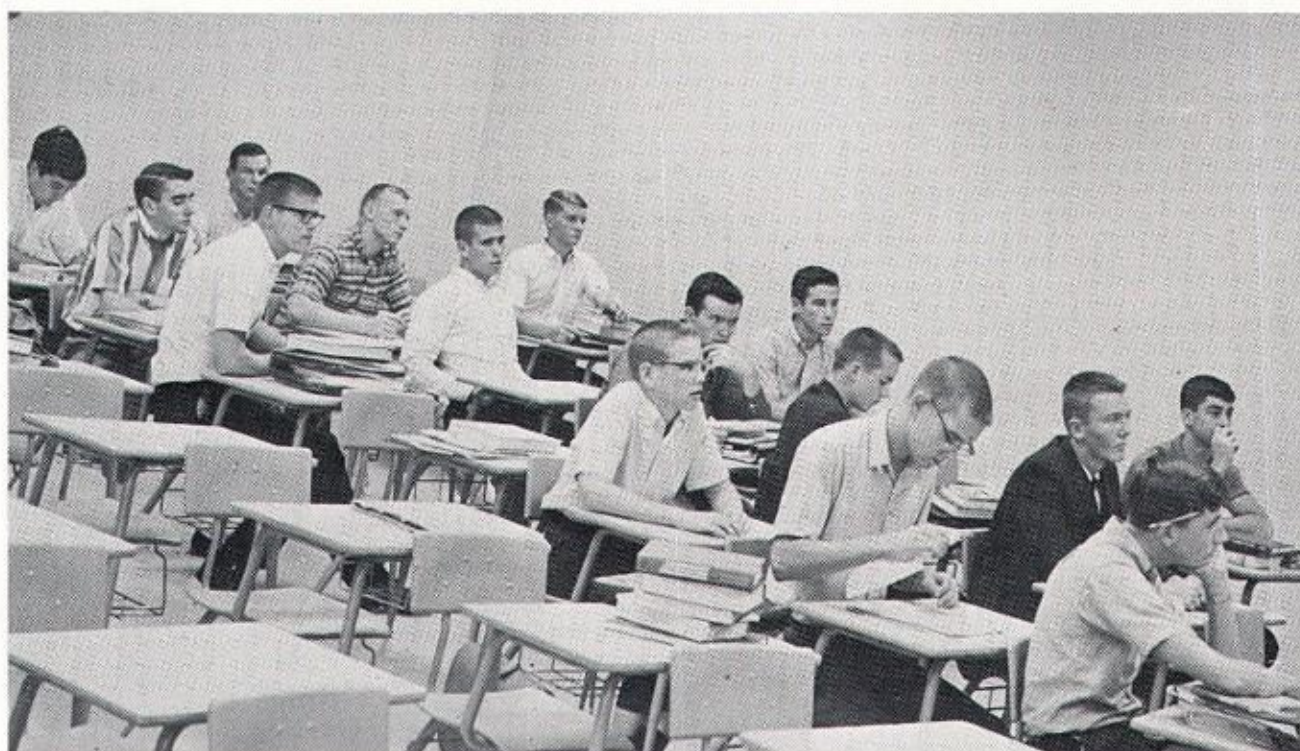

Donations of time and money went to the Easter Seal Clinic, and the March of Dimes, they also sponsored a welfare clothing drive. Pennies sent each teacher happily off to vacation.

Valentines Day was a special occasion for Exchangettes as they sponsored the first dance in the gym and delivered sweetheart corsages from "secret admirers" to Nova girls.

Officers for the year were: president, Cathy Coxey; vice president, Nicki Hullis; secretary, Wanda Brown; and treasurer, Beverly Wright.

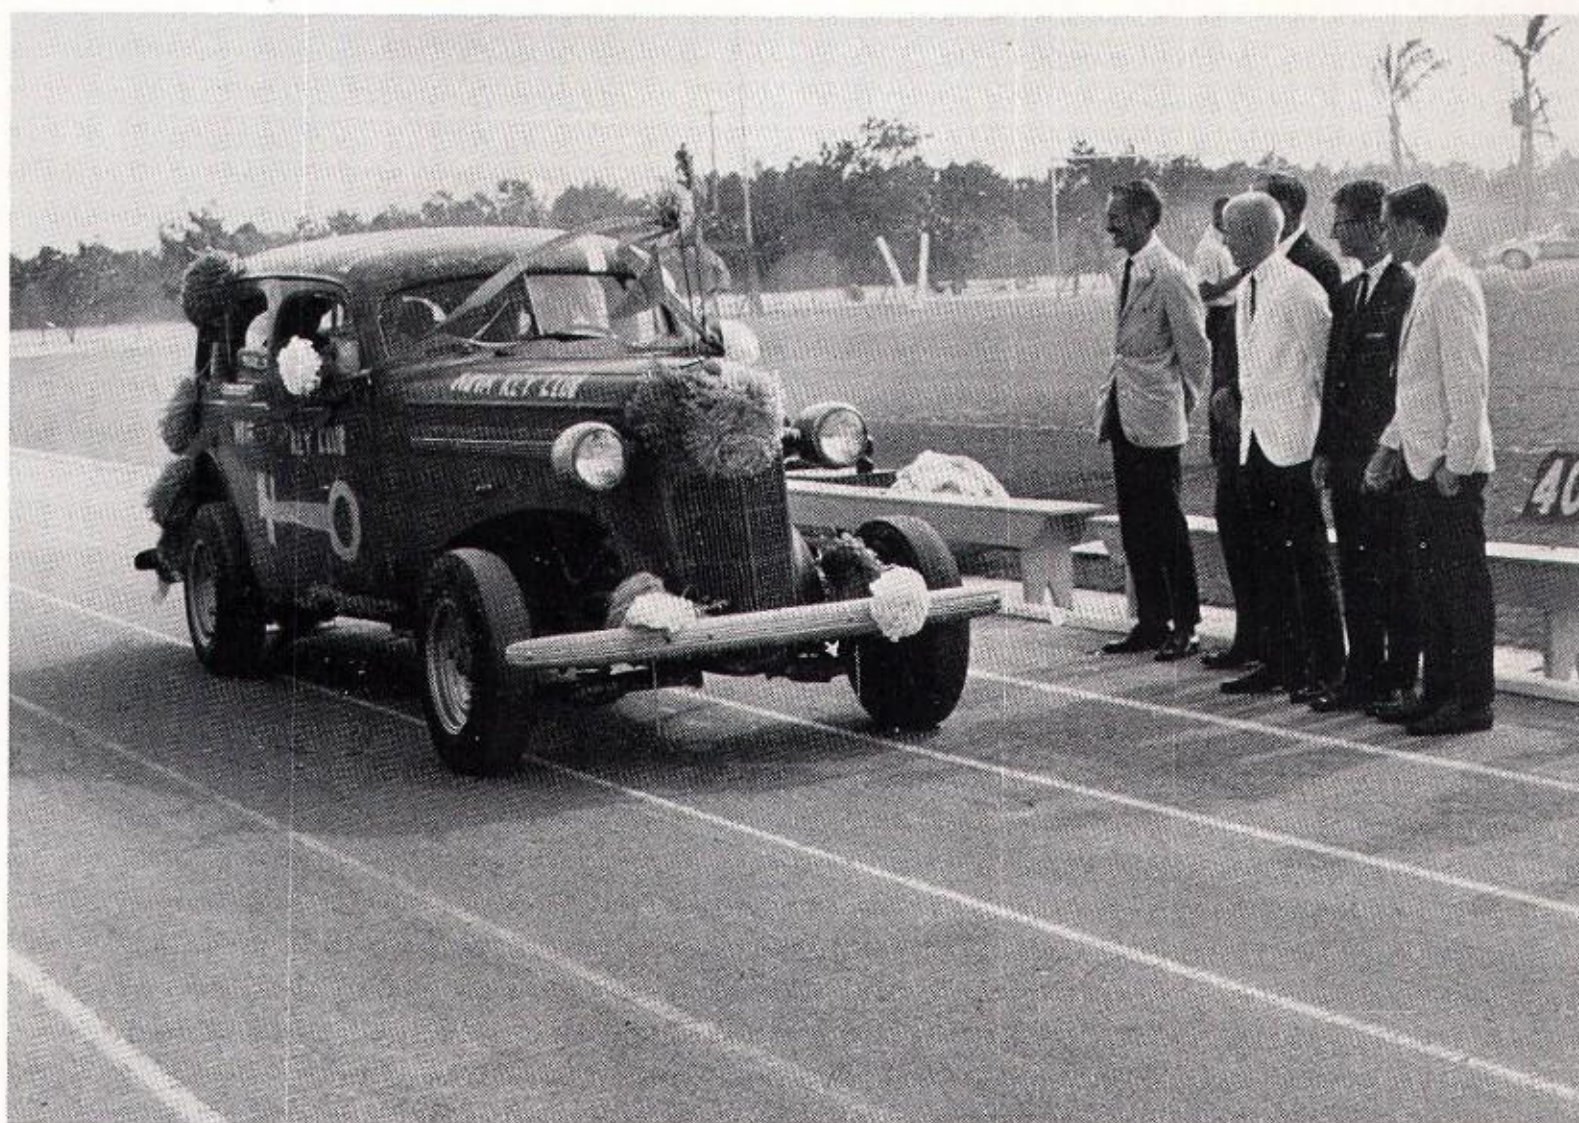

KEY CLUB

FRONT ROW: Jim Hanson, Rick Roeling, Bob Hunt, Neal Kalis, Buddy Swingle, Rick Moore, Kurt Heinmiller, Vice-President. SECOND ROW: Tony Hohmann, President, Pace Worthy, Ken Platt, Dave Landen, David Zaritski, Bob Denham, John

Berlow, Dave Hill, Secretary. THIRD ROW: Jim Waite, Bill Hanson, Ed Waldron, Ian Pritchatt, Treasurer, Bruce Reich, Jeff Smith, Chuck Williams, Griag Trumbower, Larry Parsons.

Key Club activities for the year were highlighted by service projects aimed at helping both Nova and the Community.

This year Key successfully distributed and collected seven hundred March of Dimes canisters; sold March of Dimes candy; helped their sponsoring Kiwanis Club at the Annual Davie Rodeo; actively participated in the laying of sod around our new campus; and Key clubbers on many occasions served as the official student guides to the many visitors of Nova.

The Club also held two very successful dances, including the annual Sadie Hawkins Dance, which helped finance the trip to the state convention at Tampa for nine delegates from Nova's Key.

The officers of the club for the past year were Tony Hohmann, president; Kurt Heinmiller, vice-president; Dave Hill, secretary; and Ian Pritchatt, treasurer.

KEYETTES

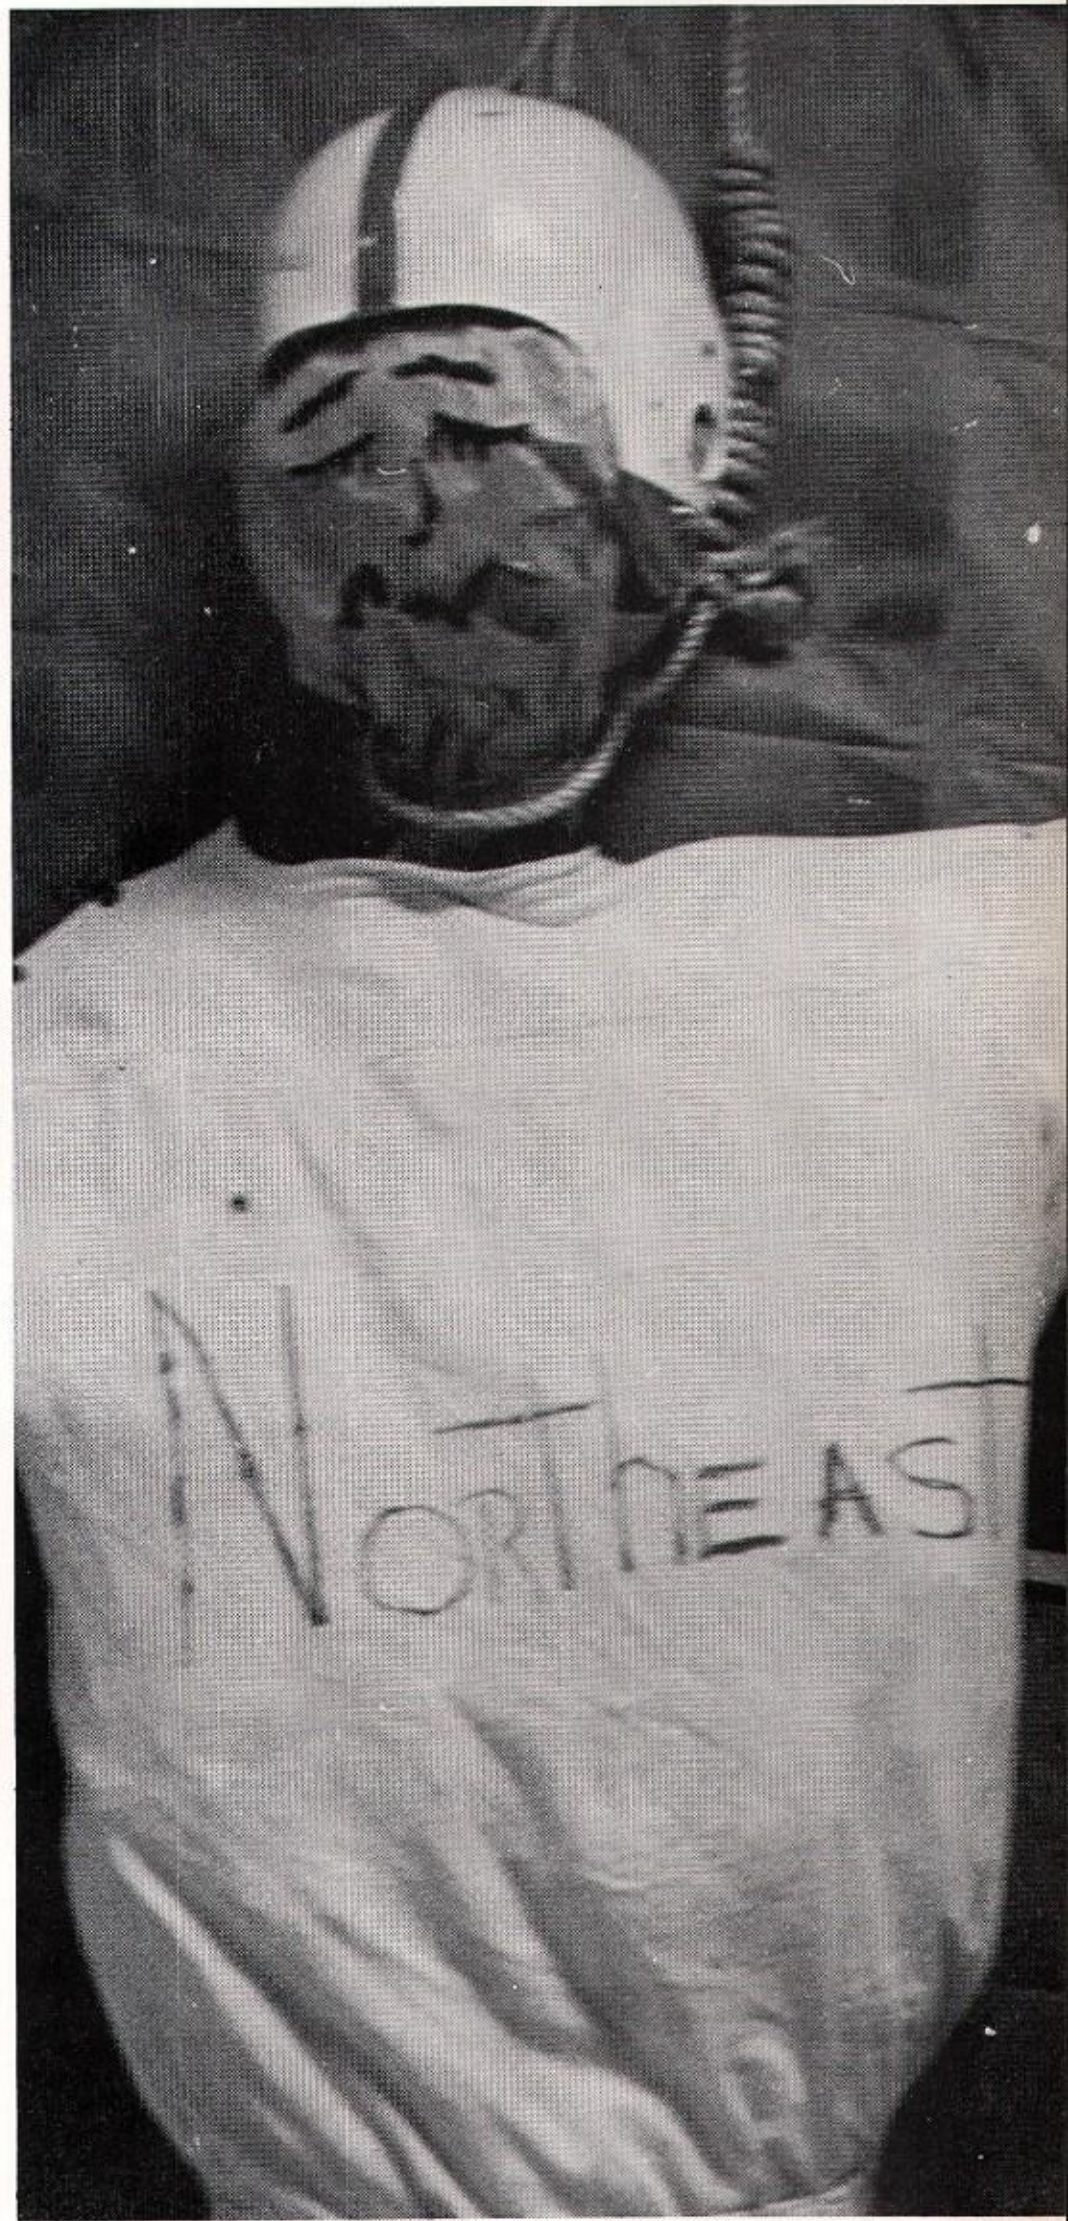

Activities, projects, and new ideas provided a busy and exciting year for the Keyettes. Traditional sale of the "Keyette-Pops" started the year off in high spirits. Enthusiastic pep carried the Keyettes into Titan Week and a Hurricane football player hung in shame in the building decorated by the club.

Much consideration and thought went into the selection of new members as the old year turned to new. Christmas for the faculty was brightened by candy canes, cards, and cookies from Santa's Keyette helpers.

"SHIP AHOY" was the center of thought when the club sponsored its first dance of the year in the new gym. Aimed at service the Keyettes contributed to the landscaping of the Nova campus, and aided in the work for the March of Dimes and Easter Seal drive.

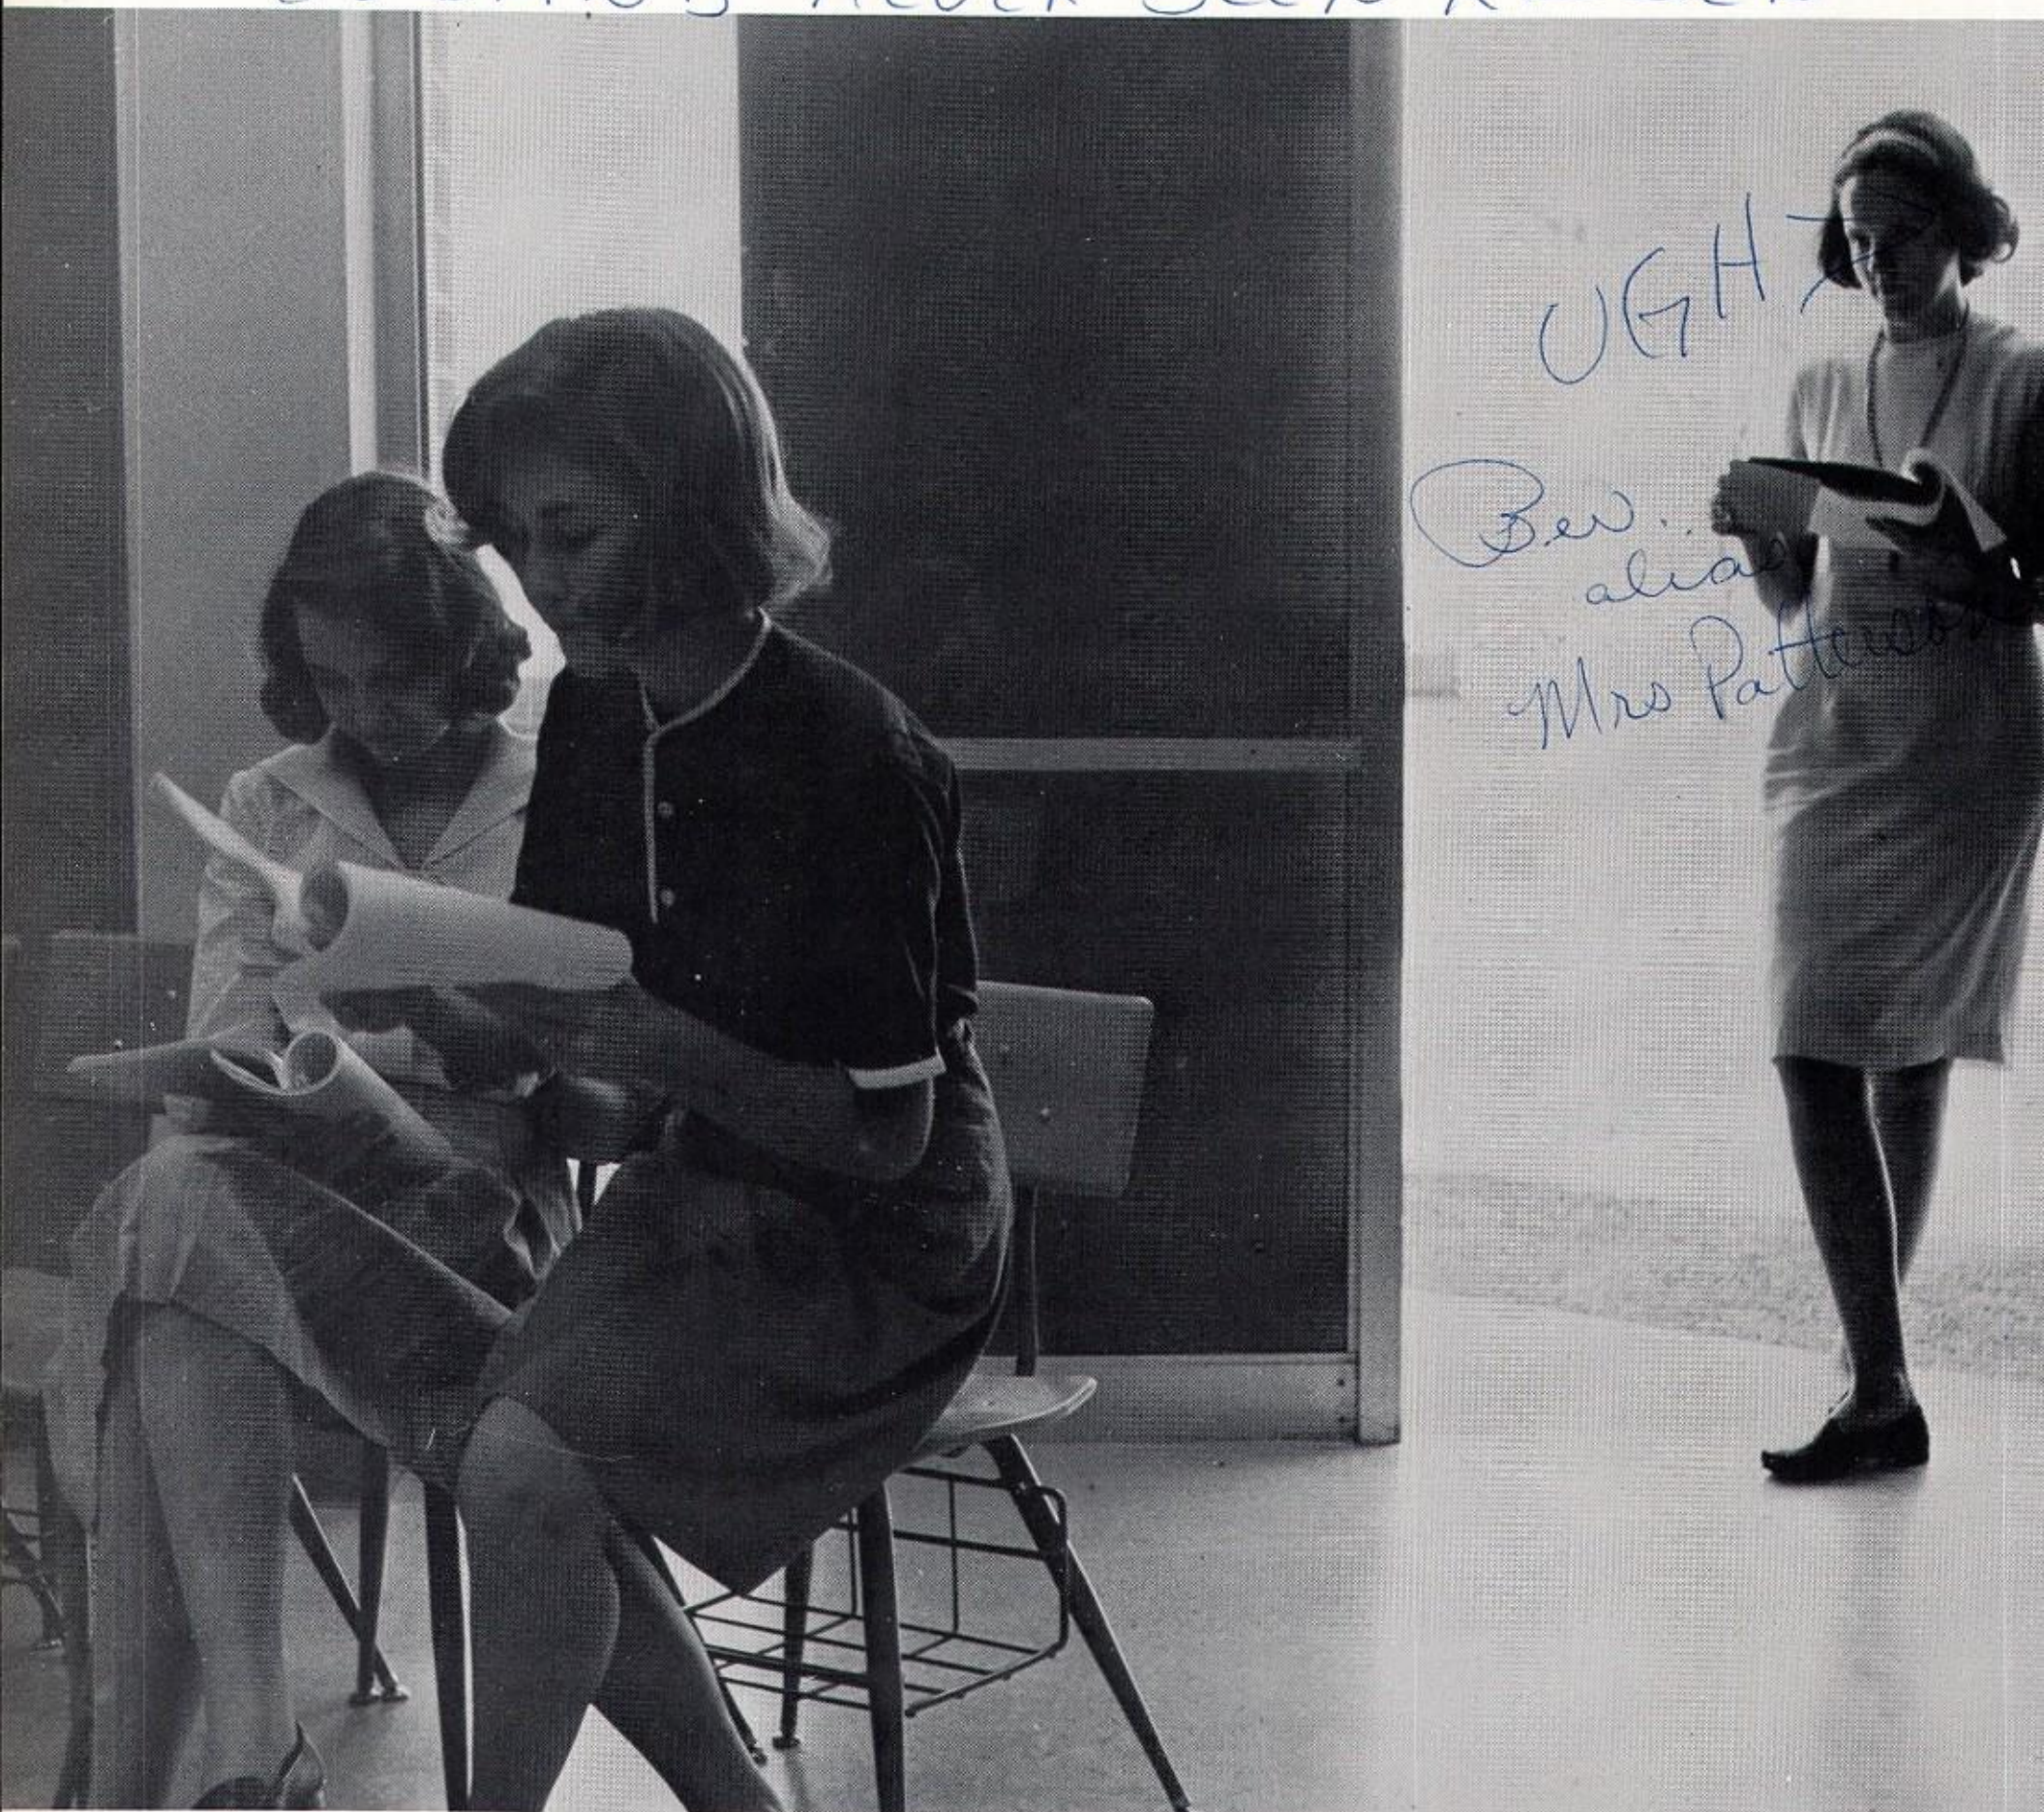

Under the assistance of Miss Lowe the club prepared a constitution and charter. Election of officers rounded out the first full year as a part of Nova.

SENIOR DRAMA CLUB

...AND NEVER BEEN KISSED

"Sound, lights, cues, everybody ready? Okay, let's have some action!" These words launched the Senior Drama Club into its first big project, the junior class play. The Senior Drama Club, in co-operation with the junior class, presented the play, "And Never Been Kissed."

The Club worked hard on the junior class play and spent many more hours in producing the im-

promptu pantomining of unusual situations. A hint of dramatic talent crept out while performing individual monologues and group skits.

Leading the Nova dramatists were President—Joy Scharer, Vice President—Gretchen Matzke, Secretary—Sheila Riggins, Treasurer—Ellen Bluestone, and sponsor—Mrs. Faye Manning.

AV-TV Production Engineers consists of nine trained operators of Nova TV broadcasting equipment. The maintenance and installation of electronic equipment, and the direction and production of lecture and classroom films made up the special duties of the AV-TV engineers.

AV-TV engineers also operate cameras for the "Hello World" show and assist, from the technical end, in the production of the morning show with her sister club, Nova Television Productions.

Special honors were given the AV-TV engineers for their achievement at the Pompano Industrial Arts Fair, where Nova TV was one of the main attractions.

Nova Television Productions supplies the talent, writing, and material for the "Hello World" program, shown each morning in cooperation with AV-TV.

A special service of NTP was their weekly interviews with famous celebrities, prominent educators and congressmen. Some of NTP's members were also associated with the "Like Young" show of radio station WWIL.

ACTIVITIES PERIOD

The activities period more commonly known as the twenty-fifth period takes place Friday afternoon during the regular fifth period time. At this time the student is given an opportunity to attend the extra-curricular activities of their choice. Club meetings are generally held, and "help-sessions" in all areas meet for the student that has a problem in any area of his work.

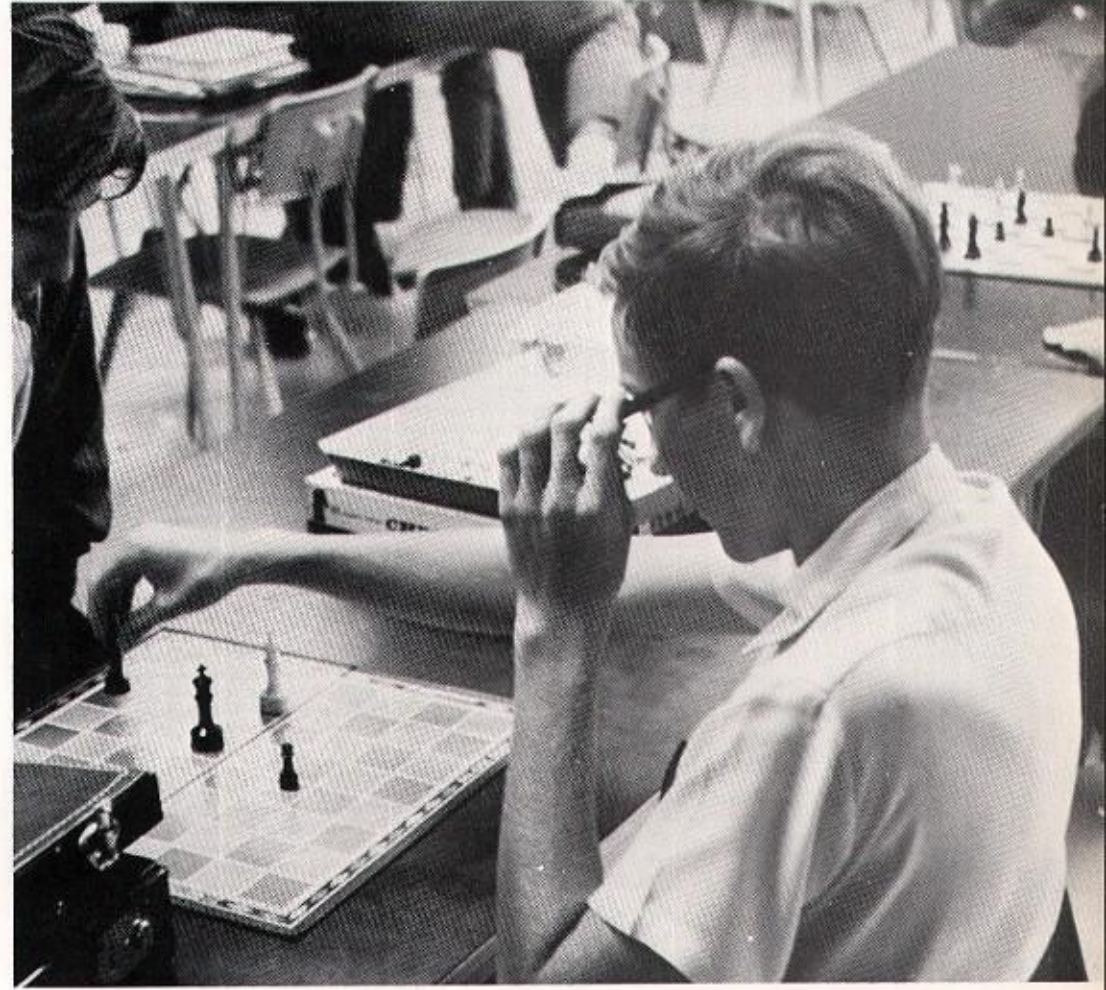

Organized by Mr. Max Kitson, head of student activities, the twenty-fifth period has become a vital part of the Nova system. The period is designed to develop a sense of responsibility in the student, also it provides opportunity for the students to engage in activities that otherwise might not be available.

JUNIOR CLASSICAL LEAGUE

Promotion of the classical arts in a modern world—exhibition of the art works of accomplished Nova students—encouragement of a vocation in the field of education: three Nova clubs emphasize these purposes as they strive to tie the ancient to the modern world.

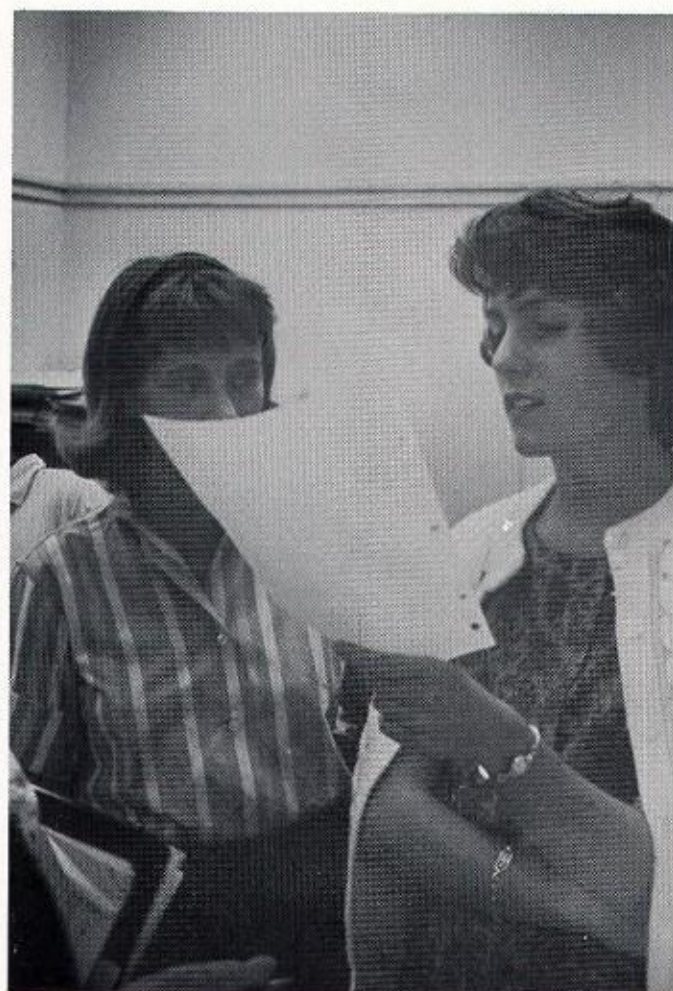

The Junior Classical League traveled to the classical arts museum in Sarasoto, displayed genuine knowledge of the Roman civilization at State Forum, and went modern all the way in sponsoring the first dance of the year.

Modern design prevailed in the bulletin boards displaying the works of Nova's Art Club, and distinguished honors were earned by the members in national competition.

Tying the old tradition of education to the modern techniques of Nova, the Senior F.T.A. conducted many tours for educators from all over the United States and paid special tribute to Nova teachers during National Teacher Appreciation Week.

September found Nova Titans, led by co-captains Bill Farley and Tony Hohmann, entering their first full varsity football schedule. The principle pre-season problems were in experience and in the lack of squad depth. Pre-season problems took a back seat to minor injuries to key players as the season began.

The season, heart breaking with its fumbles, had moments glory. Traveling twice to Boca Raton, the Titans hailed two easy victories over Boca Raton and St. Andrews. The Titans brought moments of anxiety to opposing teams with their good defensively playing against Chaminade, Carol City, and Miami Military.

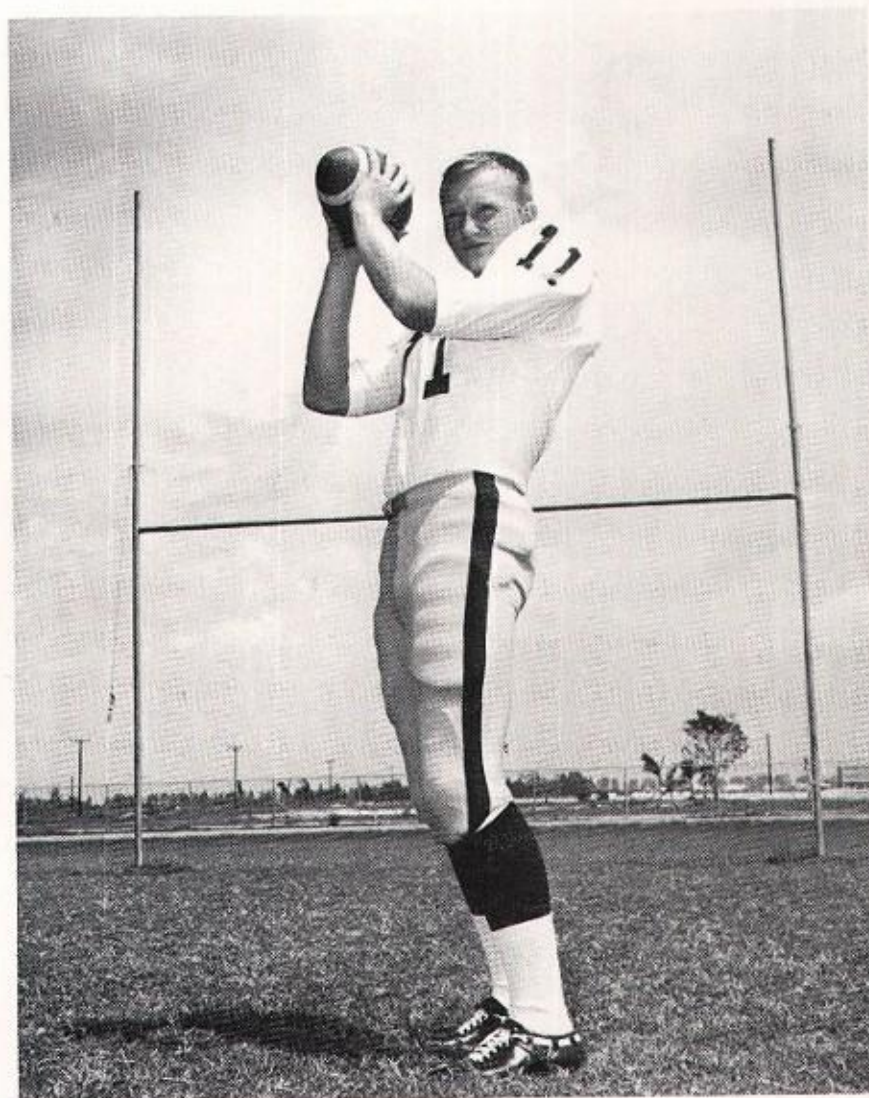

Primarily a defensive team, the Titans showed some offensive strength in its opener against Chaminade. The highlight of the offensive playing occurred when a 275 lbs. Miami Springs tackle found himself going backwards under the pressure of 125 lbs. Titan center Dan Cyphert.

As the season closed Titan coaches anxiously awaited the upcoming season feeling that with a strong desire to win, hard work, the Titans could put the experiences of the 1964 season to work.

Cheers from Cindy Osterman console the Baby Titans in defeat.

Maybe he **WOULD** be better as a bench-warmer, wonders Baby Titan Coach Pete Cavari.

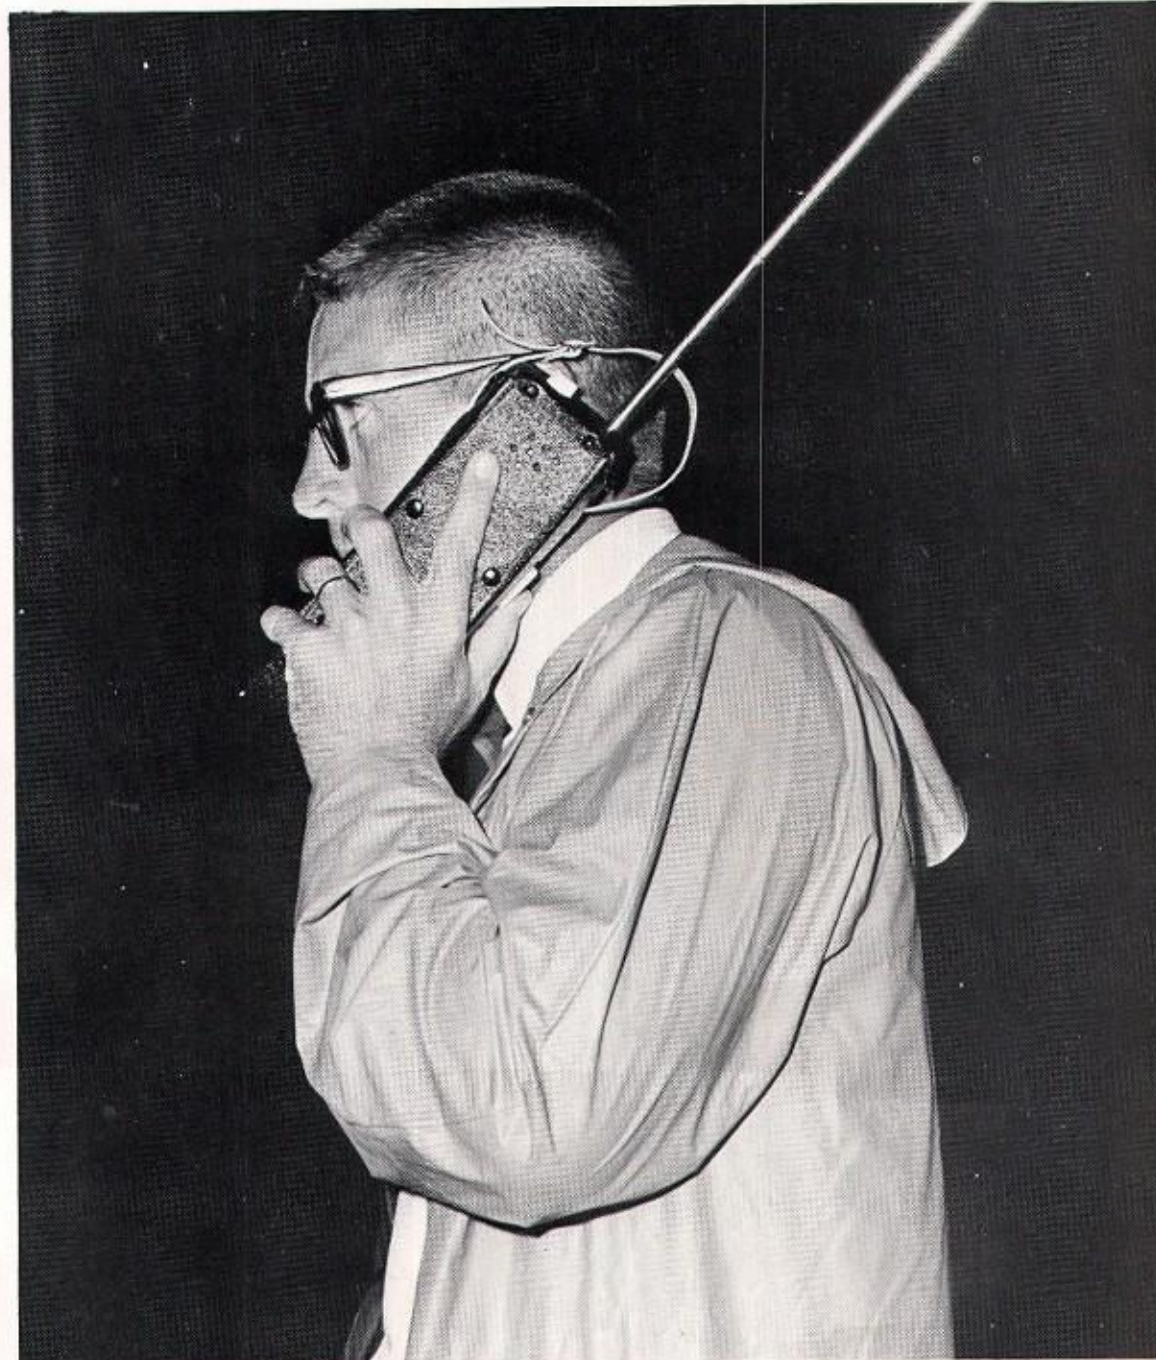

Nova's Junior High football team, in its second season, fell short of the .500 mark set last year. The team began on a bad note, losing to Olsen 19-0. The Baby Titans became successively worse with only a few outstanding individuals, as the team fell again to Driftwood 30-6.

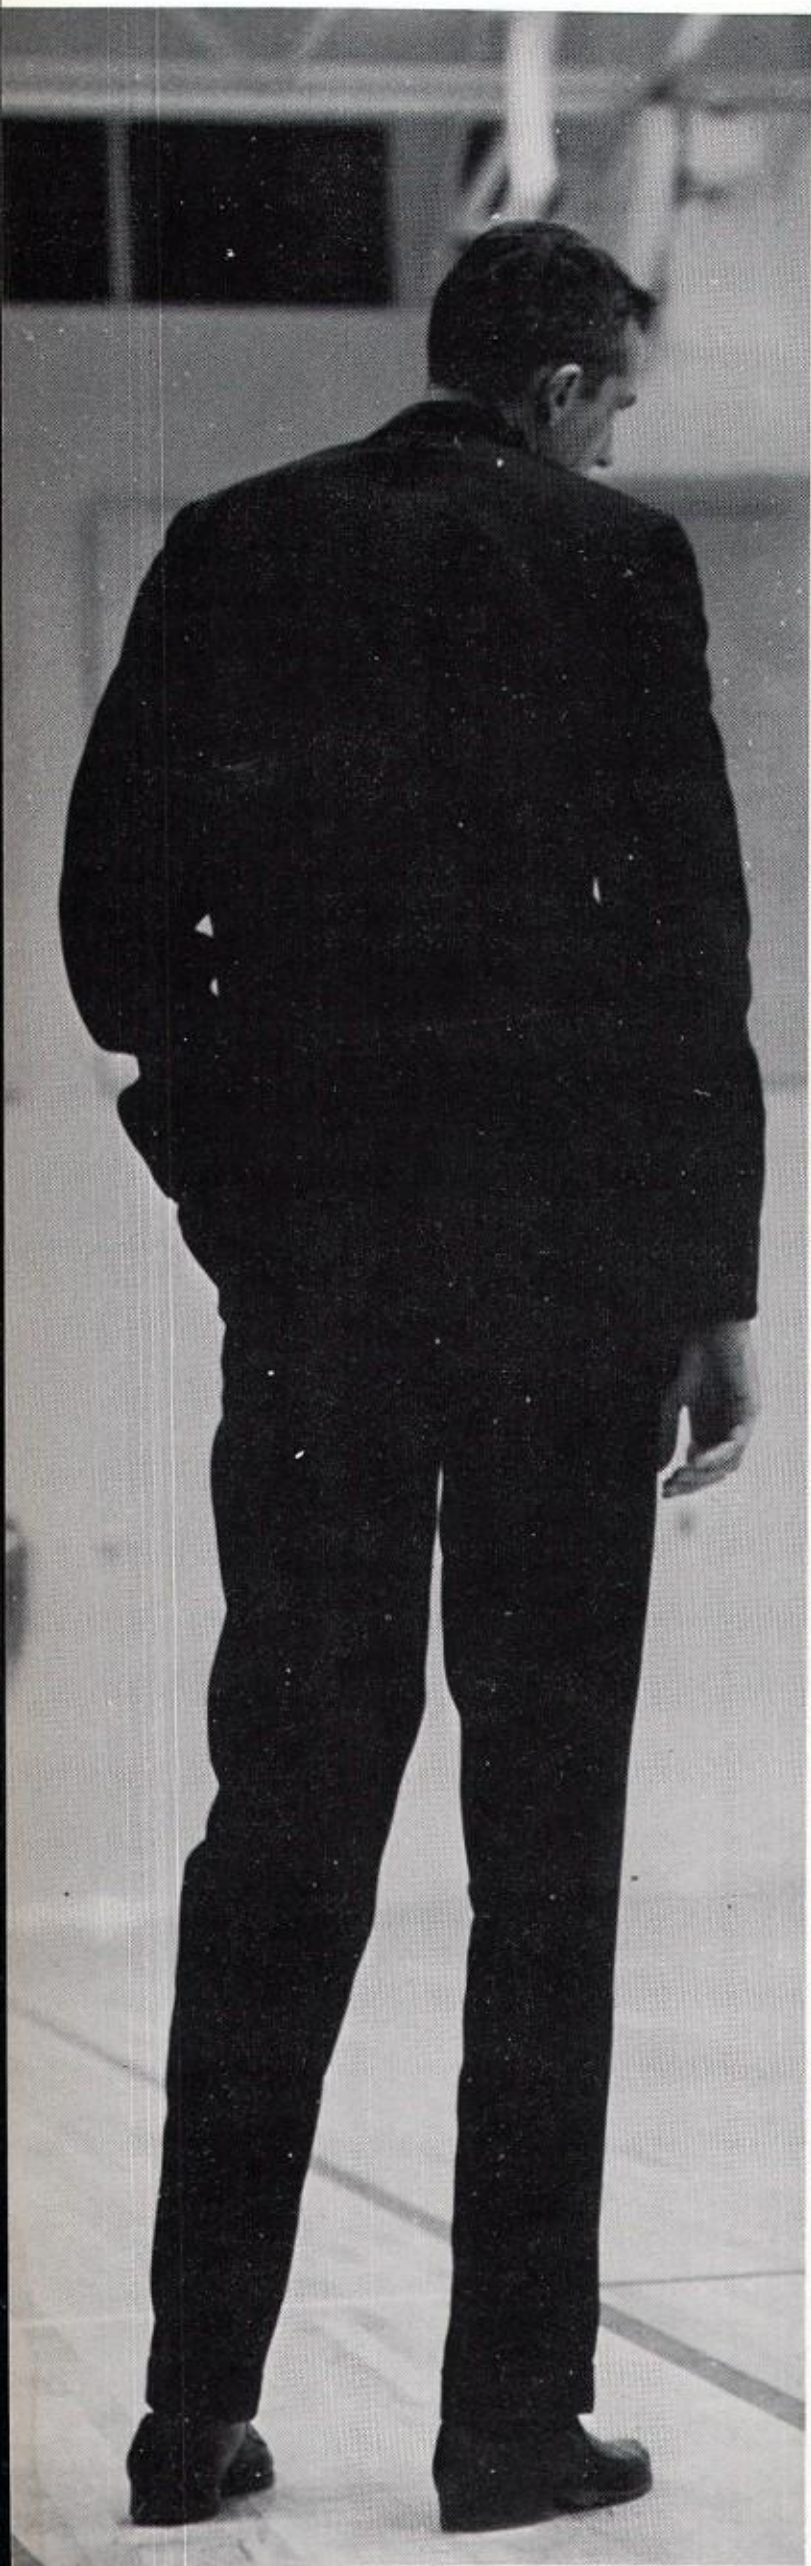

In royal Titan tradition, the young eleven began a strenuous attempt to rise above their first two loses in a heartbreaker to McNicol 19-6. Still illustrating the desire of the team that preceeded them, the Baby Titans dropped their fourth in four in a grueling battle with the Perry Wildcats 12-6.

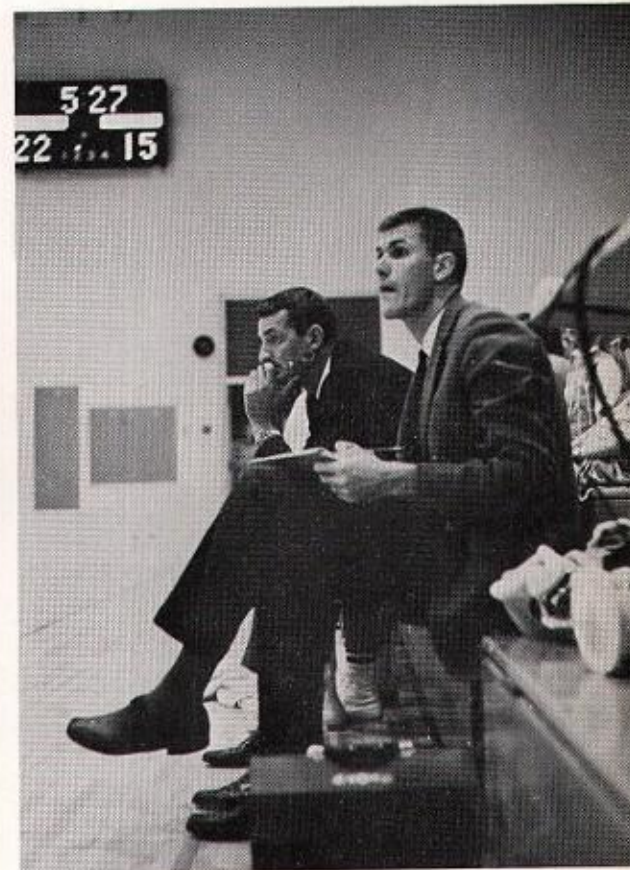

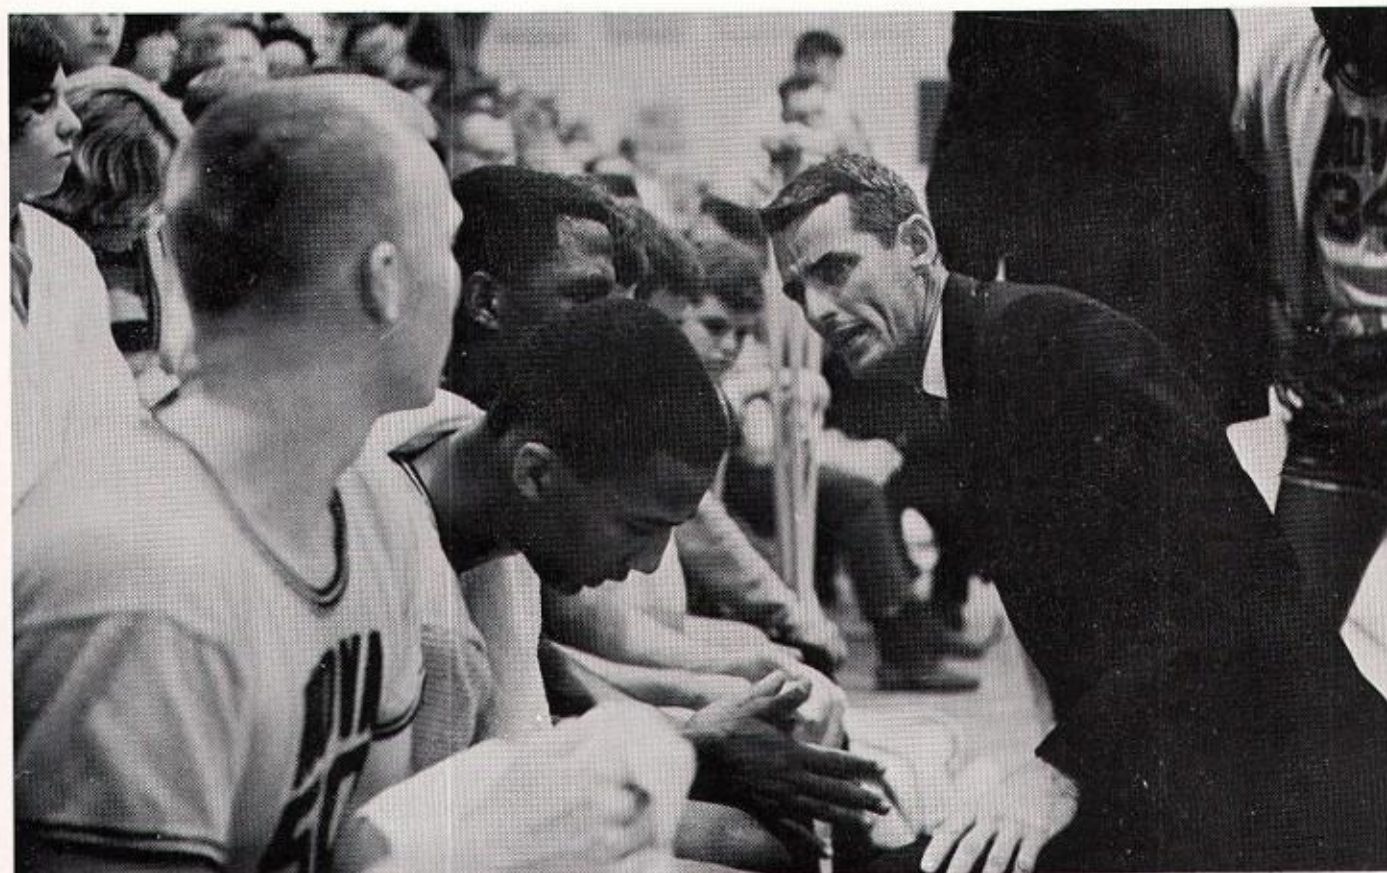

The next two games showed remarkable improvement and desire on the part of our worn and injured gladiators. The Junior High team tied Hallendale 0-0 and Rogers 7-7. These two games proved the most rewarding of all the Baby Titans endeavors. In it, all of the work and heartaches of the season proved their worth.

Though the young Titans didn't win any of their contests, they gained an immeasurable amount of experience, which will aid them in their upcoming season as the Titan JVs.

VARSITY BASKETBALL

Cecil Sims

Nova's 1964-65 basketball team was small in size but large in desire. The Titans ended the season with a respectable 12 won and 8 lost record, which made them the first winning team in a major sport in Nova's young athletic history.

Many illnesses and injuries to key players throughout the season kept the team from top performance in many games but team hustle was always evident.

The team opened with four straight wins and played a creditable game against AA school Seacrest in the Pompano Beach Invitational Tournament.

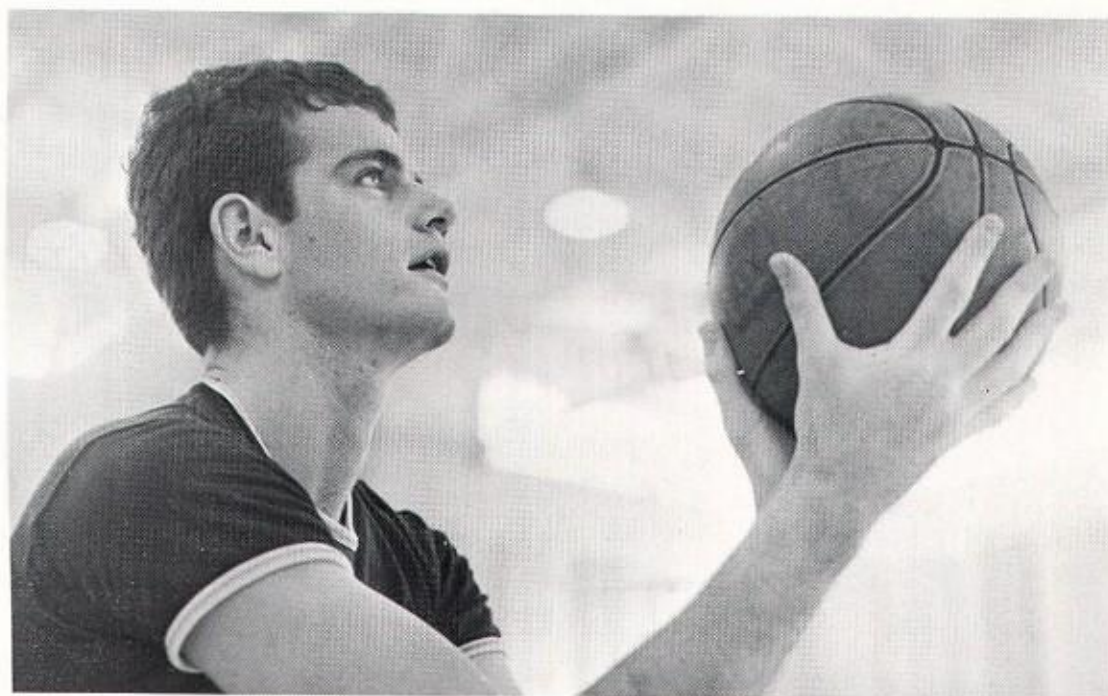

One of the big events of the season was the opening of our new gymnasium. A full house of 1400 fans saw the game. The boys responded to the enthusiasm and beat another AA school, Northeast.

In the second St. Andrews game the team set a record that future Nova teams will find very difficult to beat. They scored 111 points in this game with every team member contributing to the scoring column.

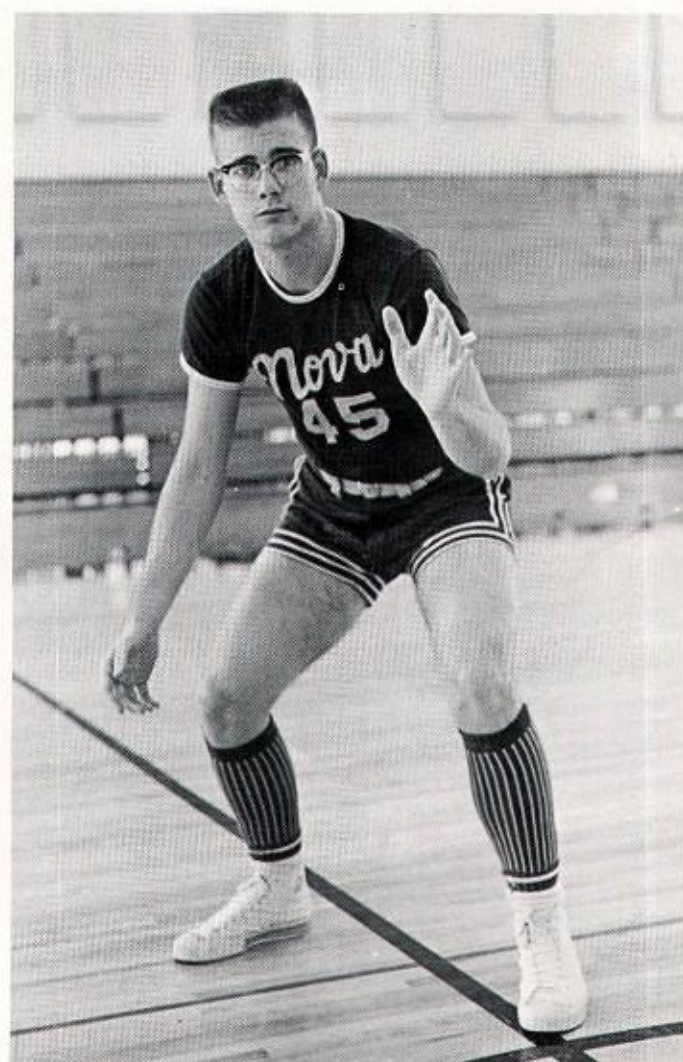

Later against Riverside Military Academy another oddity occurred. The Titans won a thrilling game in two overtimes without scoring a field goal in either overtime.

The last regular season game against Carol City, the Titans overcame a nine point deficit early in the fourth quarter, later to win by nine points.

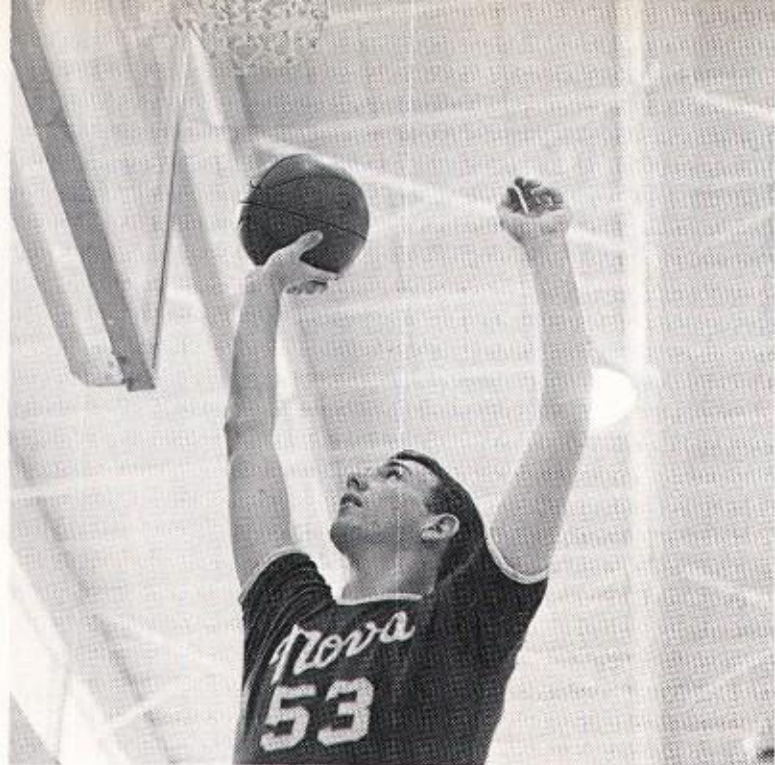

Coach Charlie Ward

Pete Smith

During the regular season the basketball team took 1203 shots from the field and made 475 for a percentage of 39. From the foul line the team made 243 shots out of 448 attempts for the unenviable percentage of 54.

Despite a tough schedule, next year looks bright. Aided by several of the Junior Varsity players, with a season record of 12 wins and 5 losses, and all of the varsity returning for Nova's first senior basketball team, big yields are hoped for the Titans.

Nova's varsity Golf Squad amassed a respectable 6-4 record against top-flight competition during the '64-'65 season. Coach Carl Ferrara tabbed Dean Weiss and Rick Loneragan as the two top men on the squad. Others who participated were Dave Burke, Ken Dowdall and Ed Garbrick.

The JV golf team piled up an undefeated season and emerged with an 8-0 record. Rick Carlson, John Gregory, George Dornberger, Mike Kand, and John Ordnung were the golfers that made up the team.

The Titan Varsity baseball team started their 1965 season with successful efforts against their first three opponents. Titans won 8 out of first 11 games but the last half of the season saw the team drop several one-run games including a 1-0 decision to Monsinger Pace in the semi-finals of the group "A" tournament.

The success of the 1965 season can be contributed to timely hitting, clutch fielding and all-round team efforts. First team All-County 1st baseman Mike Fawley lead the team in both batting and fielding statistics with averages of .386 and .977 respectively.

Other Titan regulars were First team All-County 3rd baseman David Landen, .322, centerfielder David Dannenhauer, .339, and rightfielder Howard Rigg with .315. The pitching staff was headed by Tony Hohmann with a record of six wins and two loses; followed by Bob Demanti, 3-3, and Jay Cuniff, 1-2.

Other players who received All-County recognition along with Fawley and Landen were 2nd team rightfielder Howard Rigg and centerfielder David Dannenhauer. Honorable mentions went to 2nd baseman Ray Hull, and pitcher Tony Hohmann.

The sound fielding all sophomore-junior squad finished the 10-7 season with a .935 field average. This compiled a team batting average of .274 finished the Titan's first varsity baseball season on a successful note.

Top class at Nova for the second year, the eleventh year students rated high in scholastics and in achievement. Showing high initiative and leadership characteristics of a top class, the Juniors sponsored many activities and were responsible for many of the memories of 1965.

The pride in wearing class rings, the spirit of Titan Week, the class play, college days, and the ever-popular "Hello World", started the traditions which will become Nova history.

Under the leadership of president Mike Cyphert, vice president Mike McCabe, secretary Kathy McCaulley, and treasurer Bev Wright the 320 Juniors made 1965 indicative of an even more successful senior year.

TENTH YEAR

Who were the students who waited impatiently to rule the upper patio, but weren't too anxious to take pre merit examinations? Who were the unfortunate ones who were too young to have their driver's licenses and too old to escape algebra? They were the sophomores who awaited the title of "Juniors". They were students of the Tenth Year.

NINTH YEAR

The ninth year students, often neglected as leaders, took great strides in developing the junior high levels at Nova in 1965.

The newly established Junior Council sponsored the majority of junior high social events, bowling parties and dances.

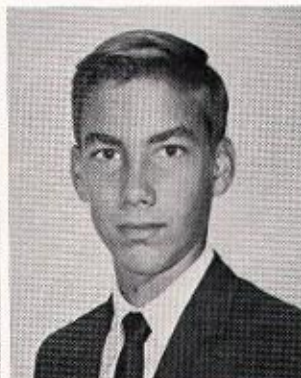

Ninth year students held the highest ranks in such active groups as the junior FTA. Ninth year cheerleaders and ninth year basketball, football and baseball teams played a leading role in developing spirit for the junior high teams.

Although a small class of only 325 members, the ninth year students rapidly and adequately developed the standards required for senior high school success.

EIGHTH YEAR

"You claim you traveled here from outer space in a machine with no instruments. . .". No, earth is not being attacked—this is a line from the unusual play, "Visit to a Small Planet", which made up, in part, the unusual English curriculum of this year's eighth year class.

Aside from acting, eighth year students have practiced psychology, and in being rookie physicist. Several mature minded eighth year students were selected to participate in Dr. Gauss's seminar.

Eighth year students engaged in Junior High basketball with interest, and displayed great skill as they, seldom defeated, made difficult opponents to all other Junior High teams.

SEVENTH YEAR

Recall that eery noise seeping out of MS1? Sounds of flutephones echoed throughout the school as 400 seventh year students practiced for their required music course.

Dicken's Tiny Tim hobbling on his crutch, Jo of LITTLE WOMEN, the main members of the SWISS FAMILY ROBINSON, and the other characters from famous stories were recreated on stage by the seventh year students.

Wandering around Nova's campus were the "official butterfly collectors," in search of specimens for science.

These activities provided for the energetic students in their first year at Nova, to capture and display the true Nova spirit.

We salute you...

Your Florida high school education has been exciting...filled with good times to remember, challenging academics and excellent facilities.

Your Florida college education can be just as exciting, and far more rewarding...especially in the rapidly growing, opportunity-filled Florida into which you will graduate.

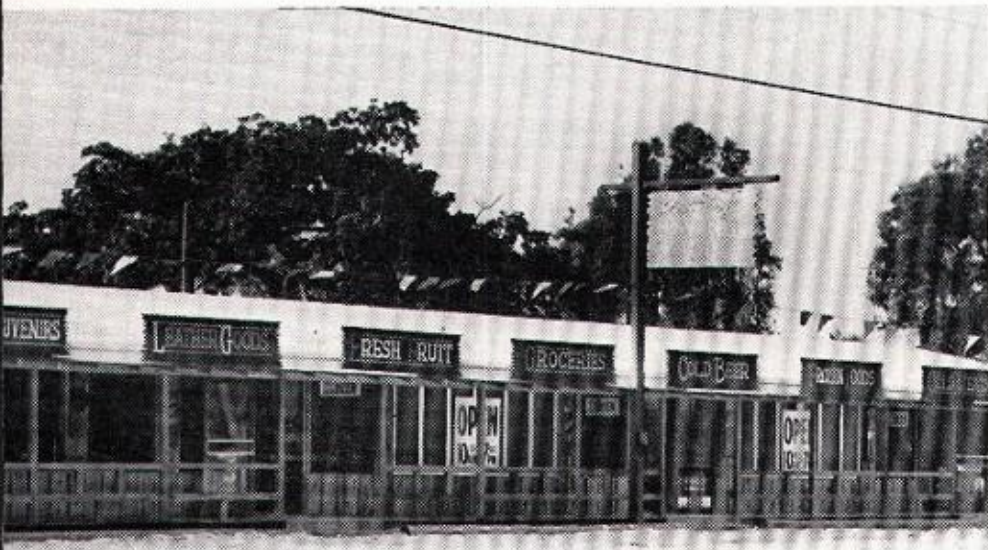

An investment in knowledge pays the best dividends. Going to college "in-state" is extra easy and less costly...and Florida has more than 50 outstanding junior colleges and four-year universities conveniently situated.

Good luck...best wishes...and more power to you!

[illegible]

Ahem!
Now we come to
Jeff Ray. Well what
do I say to someone of very
I should with, but luck in
my life wishes and try to do
best of wishes may
anything you Love Linda Jones

To Lawrence!
keep it up,
old man! You're
a swell guy,
but don't let
it go to your
dignified, intell
ual, etc, head!

Dear Jeff:

I meant what I said that
day in the conference room
after the seance. I do love you,
and always will. You are
closer to me than most, I can
explain why.

Life is regulated through a
series of experiences. You are
one of the few who can regulate
and control these experiences
in the proper fashion, by being
yourself. Believe it or not, Jeff,
it takes great courage to be
oneself, in the face of all adversity,
or in all joy. I love you for it,
and for all things you were, are, and will be.

Love of Spirit, dear Jeff, is one of the keys to the
hallways and doors which make up life. Good Luck Forever
Laura

Jeff,
You are
one of the
most
understanding
boys I have ever
come to know.

I'll never forget
our French Class remember the
and how unprepared we always were; but
what good discussion
we had!

I'll be looking forward
to 2 more full years of
friendship at Nova,
and friendship lasting
beyond Nova.

Best of luck always
Ellen Bluestone

Emy

aspargus!

May
Buddha bless
you and bring
you much
happiness
Mamya

To a real great guy
I really enjoy knowing
Best of Luck Always
you really deserve it.
Love ya!
Pat Cloud

Jeff,
see you
fun knowing
you. Thanks
so much for
the rides home.
I really appreciated
them. You're a very
nice & considerate guy.
Wendy

Jeff, a really
 great guy whom
 I've had the pleasure
 of riding & discussing the
 bad points, and chewing
 the rag (Miss Barrett). Bonnie
 Chance and best wishes
 always. Fred Hoffman

 etc.
 Shraw Etc's.

P.S. Many Shraw Eto's.

TO A GREAT GUY
TO THE BEST GUY
ON THE BUS. AT LEAST
I THINK SO.
BEST OF WISHES IN THE
FUTURE.

Jeff.
To a real
cool guy & I
have really
enjoyed going
to school with D.
Good luck
always!
